Button Buck Makes Hectic Trip Thru Apartment And Store At Noon Saturday

A second-floor apartment on Baltimore St. and the basement of the G. C. Murphy Store became the scene Saturday afternoon of what has probably been the first deer hunt in the center of Gettysburg since James Gettys built his tavern.

The hunt began exactly at noon Saturday when the first siren was tested.

Before that two small deer had visited the site of the new high school at the foot of S. Stratton St., quietly made their way up past Adams County Public Library and eventually wandered down into the alley north of Trinity United Church of Christ. Robert Hartman, engaged in cleaning up the leaves there, noticed the two deer and, since they seemed engaged in nothing more than a sight-seeing expedition, he made no effort to chase them.

FRIGHTENED BY SIREN

One of the deer leaped the wall at the rear of the former High St. School and went down over the hill, back to the battlefield. The young button buck couldn't quite scale the wall and started down the alley toward the engine house on E. Middle St.

Just as the deer came alongside the fire house the siren was sounded for the regular Saturday noon test.

The deer, which had been calmly surveying the scene up to that moment, took off when the noise began. It sped across E. Middle St. and down the path along the Methodist Church. At this moment some junior firemen and firemen saw the animal and started in pursuit. Because of its speed the deer skidded into the rear wall of the Columbia Gas Co., then turned. For a moment the junior firemen and firemen thought they had the animal cornered, but it broke through the circle and headed southwest in the alley.

MOUNTED STAIRWAY

At the rear of Estep's Cut-Rate Store, the deer headed into the parking lot there, then up the stairs at the rear of an apartment and crossed a roof, apparently leaping over the skylight to Estep's Store.

Mrs. Jessie Schutt, who has a second-floor apartment above Estep's Store, was seated in the living room when she heard a noise. She thought the wind had knocked down the aerial on the roof. She walked into her bedroom, saw a deer pawing at the window and she decided quickly to leave the apartment.

Mark Green, one of the group that had been following the deer, rushed into Mrs. Schutt's apartment in time to see that the deer had broken the window into the bedroom and at that moment was leaping up and down on a cedar chest in the bedroom. He reached in and pulled a door to the bedroom shut, hoping that the animal could be trapped in that way.

LEAPS OUT WINDOW

Moments later the deer ran into the living room, circled, leaped over the chair in which Mrs. Schutt had been seated only a few minutes before and crashed through the front window, pulling the curtains away.

Justice of the Peace Robert P. Snyder, headed to Estep's for lunch, saw the deer leap out the window, sideways the sign at Estep's, rip through the awning at the store and fall to the sidewalk in front of him.

The deer jumped up and ran across Baltimore St. and into a window at Murphy's Store, bounced off and headed for the south door of the store.

At that moment, someone opened the door and the deer skittered through, and ran down an aisle, missing startled customers. It hit the door to the basement offices at the rear of the room so quickly most clerks and customers in the store did not know anything was amiss.

WENT FREE AGAIN

By the time the deer had run down the steps into the basement the "posse" had caught up with it, and took it into custody. The deer was carried to the Murphy parking lot. Deputy Game Protector Chester Shriver was summoned, examined the animal and found its only injury to be a scratch over one eye. Despite loss of blood the deer seemed in good shape. Lester Campbell, stockman at Murphy Co., and John Wisotzky held the animal in the rear of Shriver's car while they drove it to the Virginia Monument on W. Confederate Ave. There they released the deer.

It walked slowly away from them for about 30 feet—then took off "like lightning" for the woods.

CANCEL MEETING

It was announced today that the meeting of the Adams County unit of the Pennsylvania Association for Retarded Children which was scheduled for Tuesday evening has been cancelled.

End Of Mid-town Deer Chase

The end of a deer chase is shown in the G. C. Murphy parking lot Saturday afternoon. With the deer, captured in the basement offices of the Murphy Company, are, left to right, Glenn Weishaar, Lester Campbell, Mark Green and John Wisotzky, some of the members of the "posse" which finally captured the deer after a chase from the engine house to Murphy's via a second-floor apartment on Baltimore St. The deer, apparently not badly harmed, was released on the battlefield. DEC. 14 LAST DAY TO BALLOT ON WHEAT PLAN

December 14 is the last day to sign under the 1963 wheat stabilization program for farms in the winter wheat area, J. Glen Miller, office manager for the Agricultural Stabilization and Conservation County Committee, announced today.

"This means that less than a month remains in which growers may file applications to take part in the 1963 winter wheat stabilization program," he said.

"Farmers who participate in the program will be eligible to receive special payments for voluntarily diverting a part of their allotment or base acreage from the production of wheat and devoting that acreage to a conservation use, and they will also qualify for extra price-support payments and for the regular price-support loan."

APPROVED USE

Under this voluntary wheat reduction program, farmers may divert from 20 to 50 per cent of their wheat allotment or base acreage, with special diversion provisions for small farms. The diverted acreage must be devoted to an approved conservation use. Growers are cautioned, however, to sign up for only the amount of acreage they intend to divert from 1963 production. Failure to divert the full amount of acreage signed up would result in loss of diversion and price-support payments, as well as loss of eligibility for the regular wheat price support loan.

India Rejects Peking Offer To Withdraw To New Border

By ALAN KENNEDY

NEW DELHI (AP)—An Indian spokesman rejected today the key provision in Communist China's proclamation of a cease-fire in the Himalayas and withdrawal of Chinese troops.

Peking's withdrawal plan would leave its troops deep in Indian territory, the spokesman said, and India cannot allow China "in reward of aggression to extend their unlawful control of Indian territory."

Since the cease-fire was put into effect by China last Wednesday, Indian troops have observed it. This was the first direct comment on the Chinese proclamation, although there have been government indications that its terms were unacceptable.

STILL BEING CONSIDERED

The spokesman said after reading a prepared statement that the Chinese proclamation is still under consideration. But his statement appeared to leave no room for India to accept it.

The veteran must become a force if he wishes to retain his rights, Joseph Hreha, state commander of the Catholic War Veterans, declared Saturday evening at the 13th annual banquet of St. Joseph's Post 1342, Catholic War Veterans of Bonneville. The dinner was held at the American Legion home here.

Stressing the need for membership in all veterans' organizations, Commander Hreha said only by an "active political viewpoint" can we go to Congress and get anything. Last year every veteran's bill was turned down. For example we asked that the veterans' life insurance be reopened for those who had permitted their insurance to lapse. The bill would have cost the government nothing but it would have permitted veterans to restore their insurance. And most need that insurance. But Congress turned it down. There was too much pressure from insurance companies, I understand, but veterans generally have other insurance and they are not going to drop that if they can get their government insurance back. We are going back again this year in another attempt to get that insurance reopened. Write your congressman. If enough veterans are interested I think we can get it but we won't get it if the politicians think the veterans have no political force.

"We are also going back to Congress to again make it possible for veterans to get into veterans' hospitals. There was a time when veterans who needed hospital care could get into those hospitals. Now you have to sign away your home, your car, even your telephone," he said.

PASTOR RIDES BIKE FOR THREE WITH WIFE, SON

(See Photo on Page 3)

The ultimate in family teamwork is typified by Rev. and Mrs. Otto Kroeger and their two-year-old son, Stephen, when they go bicycling over the back roads near Fairfield on a "bike" built for three.

The two-seated tandem bike was a gift to Rev. Mr. Kroeger from his wife on their seventh wedding anniversary. But with the arrival of Stephen on August 31, 1960, the Kroegers were forced to revise their riding habits.

Rev. Kroeger, pastor of Zion Lutheran Church, Fairfield, is mechanically minded, sufficiently, to take care of the necessity, and with a spare seat, a safety belt and a strong U-bolt, the third seat was placed midway between the two stationary seats on the frame.

The Kroegers are active in church and community affairs and, unless the roads are impassable, they ride regularly. Stephen is especially enthusiastic about the sport, possibly because he is too young to pedal. His only responsibility is to "hang on and enjoy the thrills." His cocker spaniel "Cindy" becomes almost hysterical at the sight of the bike for it means a day in the country for her, too.

FIRE DESTROYS TRAILER HOME

The trailer home of George Heagy, south of the Gettysburg Drain Tile Works, east of here, was destroyed by fire this morning at 11 o'clock.

Firemen estimated the value of the trailer at \$350 and said Heagy lost all his clothing except that which he was wearing and two pair of shoes which he rescued from the structure. The trailer was gutted and one wall and roof burned away.

Firemen arriving at the scene found Heagy lying near the trailer where he had collapsed from exhaustion. He had fought the fire with buckets of water until firemen arrived.

Charles W. Culp Jr., attending his first fire since his retirement as a policeman, was in charge of Truck 1 for the fire, Assistant Fire Chief Charles J. Kerrigan said.

India Rejects Peking Offer To Withdraw To New Border

under consideration. But his statement appeared to leave no room for India to accept it.

India is believed to be stalling for time to rebuild its badly smashed army before rejecting or openly violating the terms of the proclamation and thus ending the cease-fire.

Prime Minister Nehru has been reported as saying there is no reason for Indian troops to fire when the Chinese have promised to withdraw toward the border on their own. Peking has said the withdrawal will begin Saturday. The trouble is, the spokesman said, that the Chinese want to set the border at a point inside Indian territory.

Even as he talked, huge U.S. transport planes were airlifting Indian supplies toward border areas as part of the efforts to beef up Indian forces during the

PASTOR RIDES BIKE FOR THREE WITH WIFE, SON

(See Photo on Page 3)

The ultimate in family teamwork is typified by Rev. and Mrs. Otto Kroeger and their two-year-old son, Stephen, when they go bicycling over the back roads near Fairfield on a "bike" built for three.

The two-seated tandem bike was a gift to Rev. Mr. Kroeger from his wife on their seventh wedding anniversary. But with the arrival of Stephen on August 31, 1960, the Kroegers were forced to revise their riding habits.

Rev. Kroeger, pastor of Zion Lutheran Church, Fairfield, is mechanically minded, sufficiently, to take care of the necessity, and with a spare seat, a safety belt and a strong U-bolt, the third seat was placed midway between the two stationary seats on the frame.

The Kroegers are active in church and community affairs and, unless the roads are impassable, they ride regularly. Stephen is especially enthusiastic about the sport, possibly because he is too young to pedal. His only responsibility is to "hang on and enjoy the thrills." His cocker spaniel "Cindy" becomes almost hysterical at the sight of the bike for it means a day in the country for her, too.

WILL DISCUSS SCHOOL PLANS

The planned school reorganization in Adams County under Act 561 will be discussed by two school superintendents at the November meeting of the Gettysburg branch of the American Association of University Women Thursday evening at 7:15 o'clock at the YWCA.

H. Edgar Riegler, superintendent of the Gettysburg schools, and Donald B. Hudson, superintendent of the Upper Adams Schools, will be the speakers. In preparation for the meeting three study groups are being held for the members. Miss Sue Ellen Harper is in charge of one in the upper Adams area; Mrs. Charles Weikert in the Littlestown area, and Mrs. John Q. Adams in the Gettysburg area.

Mrs. William Lott, president of the AAUW, will preside at the meeting. She said the program will initiate a study of the broader subject of changing trends in educational patterns in "Megalopolis," the name given the section of the country extending from Hampshire to Virginia and from the Atlantic to Adams County. The overall program is to study how developments in the "Megalopolis" are affecting Adams County now and how it will affect it in the future.

It was announced that the meeting will be open to the public. This evening various clubs at their meetings will be invited to attend and in addition "all who are interested in the field of public education are invited to attend."

Mrs. James B. Myers and the hostess committee will be in charge of the coffee hour.

The Acorn Club will meet Wednesday evening at 8 o'clock at the home of Miss Dorothy E. Foth, E. Lincoln Ave.

Kennedy Visits Forces Used In Cuban Blockade

By JACK STILLMAN
HINESVILLE, Ga. (AP)—President Kennedy inspected troops and tanks of the 1st Armored Division in a quick visit today to Ft. Stewart, first of four stops at key posts in the recent military buildup stirred by Soviet missiles in Cuba.

Kennedy arrived at 10:18 a.m. by helicopter from Hunter Air Force Base, Savannah, Ga., where the presidential plane landed minutes earlier.

His visit to the South carries him to four Army, Air Force and Navy bases in Georgia and Florida.

Elements of the 1st Division were moved to Ft. Stewart last month when it appeared that the United States might be heading for an armed clash over the presence of missiles in Cuba.

21-GUN SALUTE
Kennedy received a 21-gun salute on his arrival at Ft. Stewart.

FIRE DESTROYS TRAILER HOME

The trailer home of George Heagy, south of the Gettysburg Drain Tile Works, east of here, was destroyed by fire this morning at 11 o'clock.

Firemen estimated the value of the trailer at \$350 and said Heagy lost all his clothing except that which he was wearing and two pair of shoes which he rescued from the structure. The trailer was gutted and one wall and roof burned away.

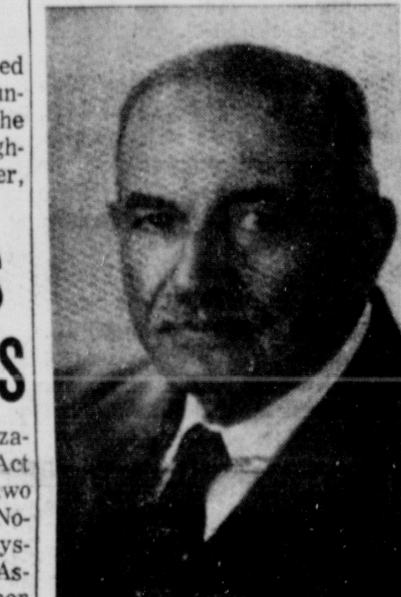

Firemen arriving at the scene found Heagy lying near the trailer where he had collapsed from exhaustion. He had fought the fire with buckets of water until firemen arrived.

Charles W. Culp Jr., attending his first fire since his retirement as a policeman, was in charge of Truck 1 for the fire. Assistant Fire Chief Charles J. Kerrigan said.

A. C. KEEFER, 86, WELL-KNOWN FARMER, DIES

Abraham Clinton Keefer, 86, one of the organizers of the Adams County Farm Bureau and the Adams Electric Cooperative and a state Farm Bureau director for many years, died Saturday morning at 8:30 o'clock at his home in McKnightstown.

He was a native of Franklin County and was a son of the late Jacob Elmer and Sarah Jane

(Rotz) Keefer. He received his early education in the country schools of that county and attended the "select" school at Orrstown. Later he was graduated from the North Indiana Business Institute at Valparaiso, Ind. He taught school in Indiana and for several terms in Franklin County.

After several years of share farming, he bought his first farm in Letterskenny Twp. in 1908. He farmed there until 1915 when he came to Adams County and bought a farm south of McKnightstown, moving his equipment and stock here by wagon and on foot. He later bought a second farm in this county and moved to McKnightstown in 1927 from where he continued to operate the farms with the help of his sons.

He was a member of Flohr's Lutheran Church for many years. He had taught a class in his Sunday School and was superintendent of the school for a number of years. He had served on the boards of directors of both the Farm Bureau and the Adams Electric Cooperative for many years after those organizations were established.

During his residence in Highland Twp. he had served as school director. He was also a member of the Cashtown Fire Company.

YOUTH DIES OF INJURIES HE SUFFERED IN TRUCK CRASH

John J. Hanlon Jr., 18, 452 S. Hanover St., Nanticoke, died this morning at 12:45 o'clock at the Warner Hospital, approximately 41 hours after a stolen pickup truck, in which he was a passenger, crashed into a tree near Table Rock.

Dr. C. G. Crist, Adams County coroner, said the death was caused by a fractured skull, a fractured right femur and bruises over his entire body.

Dr. Crist said there will be an inquest into the death when Ronald F. Winarski, 19, also of Nanticoke, is released from the hospital. Winarski, who is suffering from multiple lacerations and abrasions of the body and a possible head injury, was reported in a serious condition at the hospital. Police said Winarski was the driver of the pickup truck in which Hanlon was riding.

THIRD YOUTH IN JAIL

A third occupant of the truck, Stanley Calabro, 18, of Pittston, was treated at the Warner Hospital for a laceration of the lip and brushburns, then was discharged. He was taken into custody immediately by state police from Shickshinny, who told officers here they planned to return him to face larceny of auto charges in Luzerne County.

Police here said Calabro told them the trio had been enroute to Baltimore which they believed to be a city with "opportunities." Police here estimated damage to the pickup truck at \$300, the value of the 1960 machine. The truck allegedly was stolen at 4 o'clock Saturday morning from the barn of Harry Roineck, Nescopeck R. 1. Roineck's shotgun and shells were still in the truck when (Continued On Page 3)

MISSIONARIES
HEAD FOR INDIA

CALCUTTA, India (AP)—Defy-
ing government advice, three
American missionaries have set
out toward the uneasy Red Chi-
nese cease-fire line in northeast-
ern India to return to their hospi-
tal, the U.S. consulate reported
Friday.

Reluctant to leave their patients
at the Baptist Christian Hospital
in Tezpur, the missionaries set out
across the Brahmaputra River
from Gauhati on a 90-mile trek,
gambling that the Red Chinese
cease-fire will hold.

The Indian government has
warned civilians in Tezpur to
leave.

EVACUATE 31 YANKS

The consulate identified the
missionaries as Donald Loss and
Joseph Schoonmaker, both physi-
cians, and J. Warren Johnson, the
hospital administrator. No home

Thirty-one American evacuees,

convoy of five autos carrying 18
persons is now reported enroute,
the consulate said, and between 35

awaiting transportation south.

The consulate estimates that
150 Americans were in Assam,
mostly south of the river. None
reaching Calcutta reported seeing
any fighting, but concern was ex-

SOUTHERN EDUCATORS MEET TODAY

By G. K. HODENFIELD
AP Education Writer

DALLAS, Tex. (AP)—A powerful organization of Southern educators begins closed-door hearings today that will decide the academic future of eight state colleges and universities in Mississippi.

At issue is the charge of political interference with the administration of the University of Mississippi when Negro James H. Mead was enrolled in the then all-white institution in October.

The most likely decision, to be announced Wednesday morning, is a period of strict probation.

SIFTING EVIDENCE
Possible, but not considered probable: withdrawal of accreditation by the Southern Association of Colleges and Schools.

Even before the association's 67th annual meeting got under way today, its Commission on Colleges began sifting the evidence. Representatives of all Mississippi state colleges and universities, including three Negro institutions, appeared before the commission Sunday to tell their sides of the story.

RULING INVOLVES ALL
Although the riots that attracted worldwide attention all took place on the Ole Miss campus at Oxford, all eight institutions, with an estimated enrollment of 21,000, will be involved in the association's final ruling.

Delegates to the annual meeting, representing about 400 institutions in 11 southern states, declined to predict for publication what action will be taken.

Many said privately, however, that "we definitely are going to do something. We can't ignore what has been happening in Mississippi."

Kennedy

(Continued From Page 1)

This indicated that the huge military buildup is about to be dismantled, now that the Soviet Union has removed its long-range missiles from Cuba and is expected to pull out more than 30 jet bombers within the month.

Accompanying the President are the nation's top military chiefs, headed by Gen. Maxwell D. Taylor, chairman of the Joint Chiefs of Staff. Also going along is Adm. Robert L. Dennison, commander of the Atlantic Fleet and the man who conducted the arms blockade of Cuba.

First stop was Hunter Air Force Base, near Savannah, Ga. The President was to be joined by Maj. Gen. Ralph E. Haines Jr., commander of the 1st Armored Division, before boarding a helicopter for a brief hop to Ft. Stewart, Ga.

Here, the Army lined up troops and tanks of the crack armored division for the President to review and inspect.

Two secret briefings were set up for Kennedy at Homestead Air Force Base, 30 miles south of Miami, Fla., one in a building where reconnaissance pilots make their post-mission reports. Kennedy had an opportunity to talk there with some of the pilots who have flown surveillance over Cuban territory.

The President's schedule included four secret briefings in all. News men were barred from all of them.

Besides the two at Homestead, one classified briefing was slated at Ft. Stewart and another at the Boca Chica Naval Air Station, Key West, Fla.

Kennedy was scheduled to reach Boca Chica—in the southernmost tip of Florida—in late afternoon.

NABBED IN RAIDS

PHILADELPHIA (AP)—Sixty-five persons faced hearings today after their arrest in raids by police on 20 alleged speakeasies in a crackdown on illegal liquor sales.

Seventeen persons were charged as principals in speakeasy business, 48 others as frequenters.

Police said each raid followed the purchase of beer, wine or whiskey Sunday by officers.

Weather

Extended forecasts for Nov. 27 through Dec. 1:

Middle Atlantic States—Temperatures will average 4 to 6 degrees above normal. Warmer Tuesday and Wednesday and continued generally mild through the remainder of the week. Rain Wednesday or Thursday will total less than a quarter-inch.

BRITON SAYS "BOMB CHINA"

LONDON (AP)—Julian Sandys, grandson of Sir Winston Churchill, has stirred up a storm by urging that one hydrogen bomb today be dropped on the Red Chinese until they withdraw from India.

Sandys, 25, a prospective Conservative candidate for Parliament, is the son of Commonwealth Relations Secretary Duncan Sandys. He made his suggestion in a political speech at Petersburg last week before Peking announced its cease-fire.

Brig. P. R. Antrobus, chairman of the Petersburg Conservative Association, said Sunday "I think everybody at the meeting gasped when he made the statement. We were all astonished because nobody has suggested such methods before."

"Our trump card is the H-bomb, which the Chinese have not got. And my personal plan is to deliver an ultimatum to them that if they do not withdraw from India we will wipe out one city a day until they do," Sandys told the Petersburg meeting.

"I think the Russians would be grateful if the Chinese were taught a lesson."

Three of the nontraffic fatalities were hunting accidents.

The death toll was one of the highest for the year for either a holiday or nonholiday weekend. During the much shorter Labor Day holiday period Sept. 1-3, 21 persons were killed in traffic accidents while the over-all toll was 24.

STARTED WEDNESDAY AT 6

For tabulating purposes over the Thanksgiving period, the count began at 6 p.m. Wednesday and ended at midnight Sunday.

The victims included:

Hanover Merchants Open Parking Lot

A new parking lot was opened temporarily in Hanover today, and when it went into operation, one of the most unusual parking projects in this area began.

The lot is two blocks from downtown Hanover on the site of the old High Street School at High and Chestnut Sts. The unique aspect of the project is that the land is owned by the borough, but conversion of the property to a parking lot is being financed completely by the downtown merchants.

Under the plan, the borough is designing and contracting for the work and is paying all the bills. Included will be demolition of the old school building early next year, paving the lot and installing meters and lights. The merchants in turn are taking all the financial risk and will reimburse the borough for all expenses involved. They then will collect half the meter take until their investment has been returned.

At that point, the lot will become the sole property of the borough, without Hanover's risking a cent of public funds to provide parking which benefits primarily the downtown businesses.

PARENTS CLAIM BODY

According to local state police the officers from Shickshinny told them another stolen car had been found near the Roimick farm Saturday morning.

Hanlon's parents, Mr. and Mrs. John J. Hanlon Sr., of Nanticoke, came here Saturday afternoon after being notified of their son's injury. The father said the youth who was born April 3, 1944, had graduated from Nanticoke High School last summer, was mechanically inclined and had been employed as a mechanic in a garage. The father was reported as saying that he had sought to "break up" young Hanlon's friendship with the other two who were described as discharged servicemen.

In addition to his parents, Hanlon is survived by two sisters. The body was released by Dr. Crist to the Bender Funeral Home here for preparation for shipment to Nanticoke for services and interment.

GOP SENATORS GATHER TODAY FOR DECISION

HARRISBURG (AP)—Republican senators gathered here today to select a president pro tempore of the chamber with one candidate for the office noncommittal, the other optimistic.

Thus far, only veteran Sens. M. Harvey Taylor of Harrisburg and George Wade of Cumberland County have announced their candidacies for the office. Their comments on the eve of the caucus: Taylor—"No comment."

Wade—"It looks very good. We think we have a very good chance to win."

POSSIBLE THIRD

A third possibility was Sen. Paul Wagner of Schuylkill County, but he said he would be a candidate only if "party harmony" is threatened.

Taylor, an 86-year-old insurance salesman, was pro tem of the Senate from 1945 to 1960, when the Democrats won control of the chamber.

He has long and loudly stated his desire to return to this post. However, the first sign of public opposition was raised about a week ago when Sen. Thomas Ehrgood, 39, Lebanon, told a news conference he would oppose Taylor's election.

SEE CLOSE CONTEST

Sunday night Ehrgood said he thought the "opposition is getting stronger" but added the outlook still was "very, very close." win or lose.

Ehrgood's rebellion against Taylor, long a power in Republican state politics, at first appeared to be gaining little public momentum.

Taylor moved quickly to crush the insurgents. A caucus was scheduled originally for last Monday, but this was postponed one week after a telephone conversation between Taylor and Gov. Elect William W. Scranton.

TAYLOR CONFIDENT

Scranton and Taylor met privately here last Tuesday and, following their conference, the governor-elect adopted a position of neutrality in the leadership maneuvering.

Taylor said he was "very happy" with their discussion but declined to elaborate.

The insurgents conceded that much of their hopes rested in Scranton's hands. Following his declaration of neutrality, the movement began to grow publicly.

Two newly-elected senators—Richard A. Snyder of Lancaster and Richard Frame of Venango County — both declared against Taylor.

Early in the controversy, Taylor indicated his election virtually was assured.

PRAISES LOCAL UNITS

Commander Hreha praised the Bonneauville post and the past commanders of the post and past presidents of the auxiliary.

Joseph Clabaugh, mayor of Bonneauville and commander of the post, displayed the charter of the post and read the names of the charter members. He then listed the past commanders of the post paying tribute to them for their service over the years.

He also urged the display of the flag on December 8, National Catholic War Veterans Day, and announced that the post is planning to sell flags "so we will have them to display." He announced that the annual Christmas party for the children of members will be held December 23.

PIN PRESENTED

Arnold Cederberg, 16th district commander of the CWV, praised the post and its past and present leaders and urged attendance at a meeting December 2 at Harrisburg which will combine a meeting for nomination of district officers and a seminar on membership.

A past commander's pin was presented to Joseph Orndorff, retiring commander.

Mrs. Kathryn Smith, president of the Auxiliary, introduced and praised the past presidents of the Auxiliary.

Rev. Fr. Louis W. Forgeng, pastor of St. Joseph's Catholic Church, Bonneauville, and chaplain of the post, thanked the unit for printing the church bulletin and for other activities in connection with the church.

He reported the Rev. Fr. Leo Krichen, former pastor at St. Joseph's, as "able to walk about with a cane and says Mass twice a week at McSherrytown." Father Forgeng also read the memorial verse, "Our Dead." Rodney F. Sneeringer was master of ceremonies for the dinner program.

INJURED IN FALL

The Reliance Fire Company ambulance of West York was involved in a collision in York about 12:20 p.m. Saturday while taking a man injured in an accident at a parking lot to the York Hospital.

The injured man, Emory Wintrobe, about 38, of Littlestown R. 2, is reported to have fallen about eight feet from a loading platform and injured his back and neck. Hospital authorities said he was retained in the emergency unit, but that they were not certain of the extent of his injuries.

WILL REORGANIZE

A meeting of the Gettysburg Community Basketball League will be held Tuesday evening at 8 o'clock in the Recreation Dept. office at Gettysburg High School.

Gives Temperance Address Sunday

"The American public at large has been brainwashed by the advertising of the alcoholic beverage industry," said W. A. Scharffenberg, executive secretary of the American Temperance Society, in a talk here before a temperance rally sponsored by the Seventh Day Adventist Church Saturday evening.

Scharffenberg told some 100 who attended the rally that the "occasional drinker, the social drinker, and the so-called moderate drinker" have been misled by the propaganda of the alcoholic beverage industry. He said this group of people drink because of ignorance.

"Availability and price are also factors why people drink," he declared. He pointed out that when alcohol prices are low, consumption is high. The more outlets there are in any given community, the more people will drink, he emphasized.

CRASH IN MID-AIR

SAO PAULO, Brazil (AP)—A Brazilian air liner and a light private plane collided and crashed in a remote area of Sao Paulo state today, the air force rescue service reported. All 23 persons aboard the air liner and three persons in the light plane apparently perished.

Norman Flax announces. The line will replace the old WPA sewer line starting at the south end of Potomac Street and continuing to the pumping station on Creamery Rd., a distance of approximately 2,500 feet. The latest type of lock ring joints will be used to connect the sections of 10 and 12-inch pipes.

The new interceptor line project has received both federal and state money grants estimated at 50 per cent of the original cost of the project.

PRISON CHAPEL SERVICE ENDS WITH TERROR

FOLSOM, Calif. (AP) — Three convicts turned chapel services at Folsom State Prison into a scene of death and terror Sunday.

Brandishing, prison-made weapons, they took over the service being conducted by the Rev. Frank Mapes and a 15-man choir from Sacramento's Bethel Temple, a Protestant church.

They fatally stabbed a worshiping prisoner who tried to cut short their futile escape plot.

HELD HOSTAGES

For four hours the trio held the Rev. Mr. Mapes, the Rev. Heath Lowry, a part-time Protestant chaplain, and five of the choir singers in a tiny office in one corner of the old stone chapel.

After a series of conferences through a broken window with officials — including the state's top prison officer, Richard A. McGee — the trio released the hostages and turned over their weapons.

Warden Robert A. Heinze identified the three convicts, all serving life sentences, as Edward William Maher, 27, and Edward Vaughn, 29, each convicted of first-degree robbery, and Farrell H. Fenton, 29, convicted of second-degree murder and robbery.

IMPRISONED WEAPONS

Officials said they had not determined which of the three stabbed Conrad N. Becker, 41, serving a term for burglary.

Donald Davis, one of the 10 visiting singers who escaped the chapel along with about 50 prisoners of the congregation, said Becker was sitting on an aisle seat. He grabbed the first of the trio as they walked to the front waving their weapons—half a scissors, a sharpened letter opener and a wooden club.

Construct Sewer Line in Emmitsburg

A new addition costing approximately \$16,000 is being added to Emmitsburg's sewage system.

The contract for construction of the new line has been awarded to the Conewago Construction Co. of Hanover, Pa. and work has commenced on the project. Completion of the new line has been contracted for by the concern and is to be completed in 40 working days. Street Commissioner P.

PRISON CHAPEL SERVICE ENDS WITH TERROR

FOLSOM, Calif. (AP) — Three convicts turned chapel services at Folsom State Prison into a scene of death and terror Sunday.

Brandishing prison-made weapons, they took over the service being conducted by the Rev. Frank Mapes and a 15-man choir from Sacramento's Bethel Temple, a Protestant church.

They fatally stabbed a worshiping prisoner who tried to cut short their futile escape plot.

HELD HOSTAGES

For four hours the trio held the Rev. Mr. Mapes, the Rev. Heath Lowry, a part-time Protestant chaplain, and five of the choir singers in a tiny office in one corner of the old stone chapel.

After a series of conferences through a broken window with officials — including the state's top prison officer, Richard A. McGee — the trio released the hostages and turned over their weapons.

Warden Robert A. Heinze identified the three convicts, all serving life sentences, as Edward William Maher, 27, and Edward Vaughn, 29, each convicted of first-degree robbery, and Farrell H. Fenton, 29, convicted of second-degree murder and robbery.

IMPRISONED WEAPONS

Officials said they had not determined which of the three stabbed Conrad N. Becker, 41, serving a term for burglary.

Donald Davis, one of the 10 visiting singers who escaped the chapel along with about 50 prisoners of the congregation, said Becker was sitting on an aisle seat. He grabbed the first of the trio as they walked to the front waving their weapons—half a scissors, a sharpened letter opener and a wooden club.

SOUTHERN EDUCATORS MEET TODAY

By G. K. HODENFIELD
AP Education Writer

DALLAS, Tex. (AP)—A powerful organization of Southern educators begins closed-door hearings today that will decide the academic future of eight state colleges and universities in Mississippi.

At issue is the charge of political interference with the administration of the University of Mississippi when Negro James H. Meredith was enrolled in the then all-white institution in October.

The most likely decision, to be announced Wednesday morning, is a period of strict probation.

SIFTING EVIDENCE

Possible, but not considered probable: withdrawal of accreditation by the Southern Association of Colleges and Schools.

Even before the association's 67th annual meeting got under way today, its Commission on Colleges began sifting the evidence.

Representatives of all Mississippi state colleges and universities, including three Negro institutions, appeared before the commission Sunday to tell their sides of the story.

RULING INVOLVES ALL

Although the riots that attracted worldwide attention all took place on the Ole Miss campus at Oxford, all eight institutions, with an estimated enrollment of 21,000, will be involved in the association's final ruling.

Delegates to the annual meeting, representing about 490 institutions in 11 southern states, declined to predict for publication what action will be taken.

Many said privately, however, that "we definitely are going to do something. We can't ignore what has been happening in Mississippi."

Kennedy

(Continued From Page 1)

This indicated that the huge military buildup is about to be dismantled, now that the Soviet Union has removed its long-range missiles from Cuba and is expected to pull out more than 30 jet bombers within the month.

Accompanying the President are the nation's top military chiefs, headed by Gen. Maxwell D. Taylor, chairman of the Joint Chiefs of Staff. Also going along is Adm. Robert L. Dennison, commander of the Atlantic Fleet and the man who conducted the arms blockade of Cuba.

First stop was Hunter Air Force Base, near Savannah, Ga. The President was to be joined by Maj. Gen. Ralph E. Haines Jr., commander of the 1st Armored Division, before boarding a helicopter for a brief hop to Ft. Stewart, Ga.

Here, the Army lined up troops and tanks of the crack armored division for the President to review and inspect.

Two secret briefings were set up for Kennedy at Homestead Air Force Base, 30 miles south of Miami, Fla., one in a building where reconnaissance pilots make their post-mission reports. Kennedy had an opportunity to talk there with some of the pilots who have flown surveillance over Cuban territory.

The President's schedule included four secret briefings in all. News men were barred from all of them.

Besides the two at Homestead, one classified briefing was slated at Ft. Stewart and another at the Boca Chica Naval Air Station, Key West, Fla.

Kennedy was scheduled to reach Boca Chica—at the southernmost tip of Florida—in late afternoon.

NABBED IN RAIDS

PHILADELPHIA (AP)—Sixty-five persons faced hearings today after their arrest in raids by police on 20 alleged speakeasies in a crackdown on illegal liquor sales.

Seventeen persons were charged as principals in speakeasy business, 48 others as frequenters.

Police said each raid followed the purchase of beer, wine or whiskey Sunday by officers.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

ONE HUNDRED YEARS AGO

A new diet table has been prepared for the use of our hospitals, and which is likely to prove of invaluable service. Hitherto the kind and quality of food to be distributed to the patients in our hospitals has been left to the caprice of individual surgeons, thus falling, in many cases, far short of the actual requirements. By this new system a regular printed scale has been established, by which the exact daily quantity of each kind of food necessary for each individual is clearly set forth, in avoidable weight, and varying to suit all patients, from the convalescent to the very sick and feeble. This great improvement has been effected by a Medical Board, consisting of Medical Inspectors Cuyler and Colledge, in consultation with Surgeon General Hammond and Dr. Jos. R. Smith.

Wm. A. Duncan, Esq., was sworn in as District Attorney on Monday last. He conducted the whole of the business of the Commonwealth during the week in a highly creditable manner.

All of the alleged difficulties at "Camp Gettysburg" have been removed, and affairs are progressing there, we understand, very properly. The order for the removal of the companies to Chambersburg has been, in consequence, countermanded. Eight companies have been formed, of about 100 each. Capt. Scott's company, from Cumberland, Mountjoy and Freedom, has been consolidated with the Straban company. Capt. James Stonesifer and Plank's companies have been consolidated — Plank, captain, Stonesifer and Schwartz, lieutenants. The other companies remain unchanged.

Oliver Wendell Holmes thus discourses on a thankful heart: "If one should give me a dish of sand, and tell me there were particles of iron in it, I might look for them with my eyes, and search for them with my clumsy fingers, and be unable to detect them; but let me take a magnet and sweep through it, and how would it draw to itself the almost invisible particles by the mere power of attraction. The unthankful heart, like my finger in the sand, discovers no mercies; but let the thankful heart sweep through the day, and as the magnet finds the iron, so it will find in every hour some heavenly blessing; only the iron in God's sand is gold."

Some of the shipplasters circulating in Western New York are made payable to Utica next July, in strawberries, if the crop does not fail.

At the Mint, there are now coined daily about \$2,500 of nickel cents, all of which are distributed as soon as made, but still they are scarce.

SEVENTY-FIVE YEARS AGO
The Pennsylvania Railroad Company has been particularly busy in the motive department at Altoona, recently completing its tests with steam heating apparatus in passenger cars. These experiments have progressed so far that it is thought the first train of eight cars heated by this method may be ready to be put upon the road during the month.

"As the wind is in the month of November so it will be in December," is an old weather saw.

John M. Minnigh has made an additional ice pond down the Baltimore turnpike about two miles and will build an ice house there. His present ice facilities have proved insufficient.

Dr. Walter H. O'Neal has purchased from E. J. Cox, Esq., the frame building occupied by Messrs. Skelly and Sefton, with adjoining lot, for \$2,500. He will

Today's Talk

CONFIDENCE

Simple laws rule this complicated world. The law of confidence uppermost. I would say, for without this one, all others would amount to little.

In youth we pay attention to the advice of those older, because we have confidence in their wisdom. Later, we have confidence in ourselves, because we have learned from the application of what we have learned and through experience. To lose this confidence in ourselves is like leaving a ship to the waves without a pilot at the steering wheel.

People who make it a business to undermine the confidence of others, or to spread false reports about world or business conditions are enemies to all mankind.

Life and the pursuit of happiness are founded upon this rock of confidence. He is a benefactor who instills within our hearts that something which makes us believe in ourselves, in ideals, and the eventual triumph of all good.

Never has this big world needed a baptism of confidence as it does now. And that confidence should begin with each one of us — no matter who we are, or in what station of life we may be.

Would that the coming years might go down in history as The Years of Confidence — confidence in our leaders, confidence in business, confidence in human character, confidence in the wise teachings of those long gone from us, confidence in God as the Fashioner of everything fine and beautiful — confidence in the future, no matter what its test.

A noted physician told me one day that he would not take a case where the patient did not have confidence in him. Neither would I, were I a physician.

I want confidence in the one to whom I entrust my ideas or my life. I want confidence in my friend. He is not my friend if I do not have this confidence in him.

The world has gone along for some time now better of this dominating confidence. It will continue to go along. Better — and the best times in all history — are yet to be! Confidence has been asleep too long — that's all. Wake up this sleeper. Put him to work!

Tomorrow Mr. Adams will talk on the subject: "That Spinal Thrill!"

Just Folks

AUTUMN IN THE CITIES
The leaves come drifting down
On the little streets of town,
But the roads of traffic stay
Deadly dull and ashy gray.
Little beauty is displayed
On the avenues of trade.

Autumn comes and autumn goes,
But the city pavement shows
Nothing tender, nothing strange
Of the equinoctial change.
Hard and covered is the land
Where the office buildings stand.

'Tis on little streets the trees
Sing their soothing melodies,
And the leaves of red and brown
Drift so very softly down.
'Tis the quiet haunts and small
Wear the beauties of the fall.

'Tis the home and not the mart
Where the happy memories start;
'Tis the home street knows the spring;
Knows the summer blossoming,
And the glory autumn weaves
When the falling of the leaves.

The new Methodist Episcopal Church in New Oxford is receiving the finishing touches and will be ready for dedication which will take place on Sunday, November 27. A cordial invitation is extended to all. Services in the morning, afternoon and evening.

It is considered one of the finest and best finished churches in the county. It has a large and handsome tower with a clock on it—the second clock in the county.

E. C. Stock, York Springs, is making an addition of 25 feet to his store room. When finished it will be 85 feet deep.

The new building at the Alms House will be completed by Dec. 1.

The purchasers of the Globe Hotel have failed to "come to time" and the sale was not consummated. It is a pity Mr. Ramer did not insist upon a larger forfeit for failure to comply with the terms of the contract. We understand the amount was only \$100. Mr. Ramer will run the hotel in better style than ever.

AMERICANS

ARE EATING MORE CANDY

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP)—Americans are eating more candy. Increased consumption per capita in the last three years heartens the makers of sweets, who had lived since World War II on a sales plateau. Now they took are getting in step with the economic growth rate for which the nation hankers.

Their biggest sales season is just ahead. Candy is a big gift item and even diet-conscious Americans live more dangerously during the holidays.

Confectioners admit they still have a tough fight ahead with the calorie counters and those who associate sweets with enforced trips to the dentist.

20 POUNDS APIECE

But some 2,000 confectionery manufacturers in the United States expect their total output this year will come close to 3½ billion pounds, with a sales value of more than \$2.5 billion.

It's the per capita consumption figure that most pleases the Candy, Chocolate and Confectionery Institute, set up in January 1961, to try to get the business moving ahead again.

Output per capita hit its peak in 1944, according to available records, at 20.4 pounds per person. But much of this production of sweets was sent overseas for the armed forces—to build morale, but often used in lieu of currency.

KEEPS GOING UP

Then consumption settled back to around 16 pounds per person a year, and total output grew only at the same pace as did the population. In 1960, consumption was put at 16.9 pounds per person.

This didn't satisfy the candy makers and they began combatting the fears of obesity and cavities.

In 1961, sales rose to 17.2 pounds for each man, woman and child. This year the outlook is for 17.5 pounds, when the Christmas sales figures are in.

2,000 VARIETIES

The institute says that some 2,000 varieties of confections, from jawbreakers to bonbons, will use up this year at least 610,000 tons of sugar, 532,000 tons of dairy products, 400,000 tons of corn syrup, 210,000 tons of corn starch, 22,000 tons of devotose or refined corn sugar, 20,000 tons of fats and oils, 8,100 tons of fruits and fruit products, and lesser amounts of many other commodities.

But the industry still frets at what it, naturally, considers unwarranted fears about the effects of sweets. So the institute advises such things as eating a piece of candy after a meal to ease the desire for a dessert of higher calorie content. It lauds candy as a source of energy and as a fatigue reliever while driving. And it quotes some scientific surveys casting doubt on the role of sweets in promoting dental caries in children.

DISAPPOINTED IN CAESAR'S SHOW SUNDAY

By CYNTHIA LOWRY
AP Television-Radio Writer

NEW YORK (AP)—Appreciation of a comedian is a very personal reaction. It simply boils down to whether you think he's funny.

Sid Caesar usually amuses me at the beginning of his sketches, and I invariably wind up wishing he would quit before he beats an idea to death. For my taste, his sketches are too long, usually losing their point in the process.

His ABC show Sunday night, for instance, consisted of three sketches, each based on imaginative or fresh ideas. The Cape Canaveral scientist transplanted to a cosmetics factory, working on a cure for chapped lips was great in concept but silly, alas, in execution. The same was true of the man brooding about splitting a restaurant check with a couple who ordered the \$1.25 shrimp cocktail while he and his wife were stuck with the 25-cent tomato juice.

Speaking of comedy, what on earth made Edward M. Kennedy and his wife decide to go on a variety program like Friday night's "Jack Paar Show?" The serious young senator-elect fielded Jack's awestruck questions as if he were on "Meet the Press."

NBC's contemporary western, ber of Commerce will be held at 8 p.m. Tuesday in the chapter room at the Community Center. Holiday activities will be discussed and final plans will be made to sponsor a Sadie Hawkins dance for junior-senior high students of the community.

NEW SHEPHERD PUP ARRIVES WITH CAROLINE

WASHINGTON (AP)—A black and tan German shepherd named Clipper has moved into the White House and from all signs he's going to be top dog.

For one thing, he's big enough — larger by a considerable margin than the two other canines who live in the executive mansion, a Welsh terrier named Charlie and Pushinka, a gift from Soviet Premier Khrushchev.

For another, note the treatment Clipper got Sunday on the flight from Cape Cod—and the snub it meant for Charlie.

Clipper traveled by jet with President and Mrs. Kennedy and their daughter Caroline on their return from the long Thanksgiving weekend. Charlie made the trip in a propeller-driven White House plane.

Five-month-old Clipper was given to Mrs. Kennedy by her father-in-law, Joseph P. Kennedy, over the weekend. Once aboard, Caroline took over, leading the new pet through the presidential plane on his leas.

Caroline will have a joint birthday party with her baby brother John Jr. Tuesday. John spent the weekend at home because of a cold. Sunday was his second birthday. Tuesday is Caroline's fifth.

President and Mrs. Kennedy attended Mass at St. Francis Xavier church in Hyannis, Mass. Sunday and drew a sizable crowd of spectators despite chilly weather.

"Empire," will be around all year, the network having ordered a full season of shows. The series got off to a shaky start.

The program mostly a showcase for star Richard Egan. The other regular characters have had a pretty thin time of it, in spite of a promise earlier to fatten up the roles of Terry Moore and Anne Seymour.

New Nielsen ratings, released Tuesday will seal the fate of CBS' "Fair Exchange," the hour-long situation comedy that received good reviews but has been building an audience slowly. If the network decides to drop the show, replacement will be an hour-long version of Rod Serling's "Twilight Zone."

Recommended tonight: "Saints and Sinners," NBC, 8:30-9:30 (EST)—Paul Muni in a rare acting appearance, playing an aged man.

INJURED BOIS GOLF WINNER

By CHARLES STAFFORD
ORLANDO, Fla. (AP)—Bo Winger won the \$33,000 Orlando Open Golf Tournament with a gamble, but he had an ace in the hole.

After it was over Sunday, he told the crowd around the 18th green of the Rio Pinar Country Club that there's an old axiom on the PGA tournament circuit that "you can't beat an injured player."

On Friday, after his second round of par golf, Winger went hunting, caught his thumb in the leading mechanism of a shotgun and sliced it open. Less than two hours before he teed off for his final round, he broke a tooth while eating breakfast.

The 40-year-old Oklahoma City pro then went out and shot a 4-under-par 67 for a 72-hole total of 274, one stroke ahead of 30-year-old Bert Weaver of Edgewater, Calif.

The winning check of \$5,300 was the biggest in Winger's 10-year professional career. It took his winnings to \$17,705.

Dow Finsterwald of Tequesta, Fla., finished three strokes behind Winger, at 277. Tied at 279, five strokes off the pace, were Miller Barber of Rye, N.Y., who matched the course record with his last round 65, and Ted Kroil of Fort Lauderdale, Fla.

CARTER WINS SIXTH TITLE

CHICAGO (AP)—There's no easy way for Don Carter of St. Louis, who has annexed his fifth World's Invitational bowling title in six years.

Carter, who also won the title in 1957-58-59-61, joined Mrs. Marion Ladewig of Grand Rapids, Mich., as 1962 titleholders Sunday only after a see-saw four-game battle with Ray Bluth of St. Louis that saw Carter emerge as champion by less than one Peterson point.

Mrs. Ladewig on the other hand, captured her third World's title—she also won in 1957 and 1960—by a substantial margin of more than seven Peterson points.

The world's titles are decided on Peterson points which are given on the basis of one point

COLLEGE GRID CROWN TO BE DECIDED DEC. 1

By ED CORRIGAN
Associated Press Sports Writer
While most of the major bowl games have been securely nailed down, the national college football championship won't be decided until next Saturday when Southern California, already the Big Six winner, meets surging Notre Dame.

Southern Cal has been tapped for the Rose Bowl berth against Wisconsin of the Big Ten, and a victory over the Irish would virtually insure the Trojans' first national title since 1956. They have won all nine of their games so far.

Jim McKay's club had to come from behind and score two touchdowns in the final period to defeat UCLA, 14-3, Saturday to make its Rose Bowl bid certain.

Wisconsin also had to come from behind to beat Minnesota with a touchdown in the final quarter for a 14-9 decision and wind up its most successful season since 1912.

Here is how the major bowl picture now shapes up:
Rose Bowl—Southern California (9-0) vs. Wisconsin (8-1).
Sugar Bowl—Arkansas (9-1) vs. Mississippi (8-0).
Cotton Bowl—Texas (9-0-1) vs. Louisiana State (8-1-1).
Orange Bowl—Oklahoma (7-2) vs. Alabama (8-1).
Gator Bowl—Penn State (9-1) vs. Oregon State (8-2).
Bluebonnet Bowl—Georgia Tech (6-2-1) vs. Missouri (7-1-2).

4 IRISH WINS
Southern Cal doesn't figure to have things all its own way against Notre Dame, which has piled up four victories in a row after losing four straight. The Darryle Lamonia to Jim Kelly passing combination appears to have the Irish rolling off all fours.

Except for a few more scattered games Saturday—the Army-Navy clash in Philadelphia is the big one—the season ended for most teams last weekend.

Dartmouth, Ivy League champion, turned back Princeton, 38-27 to wind up its first undefeated season in 80 years.

Oklahoma, on the road back after a couple of lean years, smothered Nebraska, 34-6, for the Big Eight crown. Duke won its third straight Atlantic Coast Conference championship with a 16-14 decision over North Carolina and Tulsa won the Missouri Valley race by whipping Wichita, 24-6.

7 Bolts Honored In Grid Choices

Seven Littlestown High School football players were honored in selections for the 1962 All-Laurel Conference made by coaches and sportswriters.

Frank Basehoar, 185, senior, was named to a guard position. Other members of the team were: Ends, Flemmens, South West, and Neal Kessler, York Suburban; tackles, Trump, Suburban; Smith, Susquehanna; guards, Wilson, Suburban; Gingerich, Central; center, Anderson, Kennard-Dale; backs, Gotwall, Suburban; Albright, Suburban; Gentsler, Central; Hoffman, West York.

The following Thunderbolts received honorable mention: End, Fred Snyder; guard, Phil Close; center, Jeff Breighner; backs, Dick Motter, Ted Bortner and Bill Woodward.

The Long Beach Chiefs, a recent transplant from Hawaii, are threatening to make a run away of the American Basketball League race.

The Chiefs, who transferred from Hawaii to California at the close of last season, broke open a tight game with a fourth period burst, beat Oakland 104-83 Sunday night and remained unbeaten after six games.

Chicago edged Kansas City 101-99 and Pittsburgh whipped Philadelphia 118-106 in the other games.

Bill Spivey of Long Beach tossed in 29 points, leading all scorers, although he fouled out before the Chiefs made their move in the fourth period. The Chiefs, leading only 74-70 going into the period, outscored the Oaks 30-13 in the quarter and made a rout of it.

BLANDA PAGES OILERS' RALLY TO WIN 33-27

By THE ASSOCIATED PRESS
Fourteen months ago, Houston's old pro quarterback, George Blanda, was supposed to be all through. But Blanda came off the bench and guided the Oilers to the 1961 American Football League championship, setting a passing record in the bargain.

Some skeptics were beginning to doubt him again Sunday when he was benched for inefficiency after a poor first period performance against San Diego.

VETERAN RALLIES

But the 33-year-old veteran returned to action in the fourth period with the Oilers trailing 27-19, and promptly piloted them to a 33-27 triumph. He had a hand in all 14 points.

Dallas, meanwhile, got a record-breaking performance from swift Alvin Haynes and a couple of touchdown passes from Len Dawson in a 35-7 rout of winless Oakland in the only other game scheduled Sunday.

New York edged Denver 46-45 Thursday and Boston whipped Buffalo 21-10 Friday.

Houston's triumph kept the Oilers a one-half game in front of Boston in the East, while Dallas clinched at least a tie for the top in the West. The Texans have a 9-2 record, second-place Denver 7-5. One more Texan victory or Denver loss will secure the title for Dallas.

Stroudsburg, (Pa.) locked in a scoreless tie for three periods, broke loose for four goals Saturday to whip Pratt Institute 4-0 and win the NAIA national soccer championship.

GARLEN CITY, N.Y. (AP)—The University of Hartford (Conn.) blanked Elizabethton (Pa.) College 2-0 Saturday to win the second annual NCAA District 2 soccer championship. Grove City (Pa.) College beat Lynchburg (Va.) 3-0 in the consolation game.

PENN STATE TO VOTE TONIGHT ON BOWL BID

UNIVERSITY PARK, Pa. (AP)—Penn State's football team will vote tonight whether to return to Jacksonville, Fla., Dec. 29 to defend the Gator Bowl crown it won so convincingly last year.

Gator Bowl officials offered Penn State the bid immediately after the Lions conquered arch-rival Pittsburgh Saturday, 16-0, to finish with a 9-1 mark—best in coach Rip Engle's 13-year tenure at the Nittany helm.

Engle adopted a position of strict neutrality in the decision. "It's up to the school and the players themselves," he said. "I have nothing to say about it."

UP TO PLAYERS

Athletic Director Ernest McCoy, to whom the bid was officially tendered, said he does not have a vote, but added he "certainly" would like to see the offer accepted.

Although school officials, including President Eric Walker, must approve the trip, a team spokesman said Penn State traditionally leaves the decision to the players.

He said four teams have been rumored as the opposition, should the Lions accept the bid. They are Duke, Oregon State and the winner of the Miami-Florida game this week.

One player who voiced his sentiment in favor of the trip was quarterback Pete Liske, once again the spark to Penn State's offense.

"I would especially like to play someone higher in the rankings than us to show that we could beat the top teams," he said.

Liske began the season as a second-string quarterback and Saturday he finished it by breaking two more seasonal school records. He finished with a new total yardage mark of 1,292 and a new passing mark of 1,037.

12 TD PASSES

His two touchdown passes—to halfbacks Roger Kochman and Al Gursky—gave him 12 for the year to pad the record of nine he already broke this year.

The victory also placed the Lions in commanding position to retain the Lambert Trophy, a symbol of Eastern football supremacy.

Colts Put Yohn On Active List

Dave Yohn, former Gettysburg College football star, has been reactivated by the Baltimore Colts of the National Football League and played as a linebacker Sunday when the Colts were drubbed by the Chicago Bears 57-0.

Yohn was signed by the Colts early this year and was impressive in preseason exhibition games. After the regular season got underway he was placed on waivers but was not claimed. He continued to work out each week with the Colts "waiting for the roster to open again." When Don Thompson, defensive end, was injured, Yohn was placed on the active list.

New Worries For 'Frisco Warriors

By THE ASSOCIATED PRESS
The troubled San Francisco Warriors, with worries enough to start with, had a brand new one to frown about today.

Playmaker Guy Rodgers became the latest in a continuing string of Warrior injuries Sunday night when he had to retire with a twisted right leg in the first quarter of a 128-115 loss to Cincinnati.

There was no indication how long Rodgers may be out.

The Royals, paced by Oscar Robertson, pulled away to a 59-49 lead at the half and weren't in major trouble again. Robertson finished with 24 points and team-mate Chuck Taylor had 27.

Wilt Chamberlain of San Francisco led all scorers, as usual, with 41 points.

The game was the only one scheduled.

Three days after the World Series, Ralph Terry of the Yankees shot a 74 at Metropolis, White Plains, N. Y., and three days later at Delwood, New City, N. Y., he scored a two-over par 72.

Jack Sullivan Coaching Gonzaga

Jack Sullivan, all-time basketball scoring champion at Mt. St. Mary's College, has joined the coaching ranks for the first time this year.

Sullivan is the new head coach of Gonzaga High School, Washington, D. C.

Following his college career at Mt. St. Mary's, Sullivan starred for the Quantic Marines and later played professional ball for several teams.

RIGHT PROUD LOOMS BIG FOR 1963 CLASSIC

By THE ASSOCIATED PRESS
Right Proud and Delta Judge won't win any 2-year-old honors this year but off their 1-2 finish in the Pimlico Futurity they'll be highly regarded when the 1963 turf classics for 3-year-olds roll around.

Both race for Mrs. Ada L. Rice, who banked \$94,987 of the \$117,000 purse after Right Proud, considered the weaker member of the entry, beat Delta Judge by a neck at the end of the 1-1-16 miles last Saturday. Master Dennis from the Harbor View Farm also was close, trailing Delta Judge by a neck.

TIME NOT GOOD

Right Proud, who had shown promise with two victories in five previous starts and a second to Never Bend, the 2-year-old champ, earned \$72,637. Delta Judge, out of the money only once in eight outings, picked up another \$22,350.

The time was nothing to shout about, however. Right Proud was clocked in 1 minute, 47 seconds compared with Pimlico's track mark of 1:42. The victory was a popular one since the entry was favored at \$5.80 for \$2.

With Manuel Ycaza in the saddle, Sensitivo scored his second route-running victory in eight days by taking the 2 miles of the \$58,800 Display Handicap at Aqueduct.

Sensitivo's time of 3:26 was on the fair as he picked up \$36,920 to boost his earnings for 18 starts this year to \$170,182.

3 BIG TRADES IN MAJORS; SAY MORE COMING

By JOE REICHLER
Associated Press Sports Writer
ROCHESTER, N.Y. (AP)—The trade-conscious major leagues signaled the opening of the annual baseball convention today by completing three major player swaps with the promise of more to come.

The most important transaction involved the Boston Red Sox and the Houston Colts. The Red Sox, still on the prowl for right-handed hitters who can tattoo the left field wall at Fenway Park, traded away their American League batting champion, Pete Runnels, for Houston's slugging outfielder, Roman Mejias.

Runnels also won the American League batting title in 1960.

WANT LONG BALL
Although Runnels hit .326 last season to Mejias' .286, Red Sox manager Johnny Pesky was convinced Mejias' long ball power would be more helpful than the spray-hitting of the southpaw-hitting Runnels, who hit only 10 home runs—a career high—to 12 for the former Colt outfielder. Mejias also drove in more runs than Runnels, 76-60.

In a 2-for-1 trade, Baltimore acquired catcher Dick Brown from Detroit in exchange for veteran receiver Gus Triandos with utility outfielder Whitey Herzog. Orioles were counting on Brown, 29, to do the bulk of the catching next season. He batted .241 in 134 games with 12 homers and 40 runs batted in.

TIGERS GET BUDDA

Triandos, 32, has been troubled by injuries the last three seasons. Detroit also acquired veteran third baseman John (Bubba) Phillips from Cleveland in return for pitchers Ron Nischwitz, a lefty, and right-hander Gordon Seyfried.

Houston manager Harry Craft said he planned to switch Runnels, 34, to second base, a position he played before the Red Sox converted him into a first baseman.

The minor league meetings officially opened today with a major league draft of minor league players.

GIANTS BEAT REDSKINS IN TITLE MARCH

By JACK CLARY
Associated Press Sports Writer
Those so-called "old" New York Giants are up to their even older habits today—that of grabbing titles in the Eastern Conference of the National Football League.

The Giants, whose alleged old age is more often mistaken for proven experience, all but stashed away their second straight conference title Sunday and fifth in the last seven years with a 42-24 victory over the Washington Redskins, who dropped from second to third in the Eastern race.

New York needs only a victory in one of its final three games to get the title and head for what it hopes will be a title rematch with the Green Bay Packers.

BROWNS NO. 2

Green Bay, whose 37-0 victory over the Giants in the title game last year made them look even older than they are reputed to be, holds a one-game edge over Detroit in the Western Conference. Both were idle Sunday.

Cleveland (6-4-1) moved into second in the East by beating fourth-place Pittsburgh (6-5) 33-14 while the surging Chicago Bears (7-4) kept their Western title hopes alive with a 37-0 walloping of the Baltimore Colts (5-6). The Giants and Bears face each other next Sunday in Chicago.

Five Returning Veterans Give Littlestown High Promising Cage Outlook

Five returning lettermen, including the first and second high scorers of last year as well as the first and second high men in rebounding, give high hopes for a successful basketball campaign at Littlestown High School this year.

Jack Bream, head coach, in his sixth year at the helm of the Thunderbolts, and Clifford Ruland, assistant coach, are currently working with a 20-man squad in preparation for a 20-game schedule, including 18 Adams-Franklin League contests, which starts next Tuesday at Biglerville.

The returning lettermen are all seniors and include Fred Snyder, 5-11, last year's top scorer and second best rebounder; Ron Smith, 6-1, second high scorer; Jeff Breighner, 6-0, leading rebounder; Dale Bair, 5-11, and Frank Basehoar, 6-0.

INJURED BO IS GOLF WINNER

By CHARLES STAFFORD

ORLANDO, Fla. (AP)—Bo Winger won the \$35,000 Orlando Open Golf Tournament with a gamble, but he had an ace in the hole.

After it was over Sunday, he told the crowd around the 18th green of the Rio Pinar Country Club that there's an old axiom on the PGA tournament circuit that "you can't beat an injured player."

On Friday, after his second round of par golf, Winger went hunting, caught his thumb in the loading mechanism of a shotgun and sliced it open. Less than two hours before he teed off for his final round, he broke a tooth while eating breakfast.

The 40-year-old Oklahoma City pro then went out and shot a 4-under-par 67 for a 72-hole total of 274, one stroke ahead of 30-year-old Bert Weaver of Edgewater, Miss.

The winning check of \$5,300 was the biggest in Winger's 10-year professional career. It took his winnings to \$17,705.

Dow Finsterwald of Tequesta, Fla., finished three strokes behind Winger, at 277. Tied at 279, five strokes off the pace, were Miller Barber of Rye, N.Y., who matched the course record with his last round 65, and Ted Kroil of Fort Lauderdale, Fla.

CARTER WINS SIXTH TITLE

CHICAGO (AP)—There's no easy way for Don Carter of St. Louis, who has annexed his fifth World's Invitational bowling title in six years.

Carter, who also won the title in 1957-58-60-61, joined Mrs. Marion Ladewig of Grand Rapids, Mich., as 1962 titleholders Sunday only after a see-saw four-game battle with Ray Bluth of St. Louis that saw Carter emerge as champion by less than one Petersen point.

Mrs. Ladewig on the other hand, captured her third World's title—she also won in 1957 and 1960—by a substantial margin of more than seven Petersen points.

The world's titles are decided on Petersen points which are given on the basis of one point

COLLEGE GRID CROWN TO BE DECIDED DEC. 1

By ED CORRIGAN

Associated Press Sports Writer

While most of the major bowl berths have been securely nailed down, the national college football championship won't be decided until next Saturday when Southern California, already the Big Six winner, meets surging Notre Dame.

Southern Cal has been tapped for the Rose Bowl berth against Wisconsin of the Big Ten, and a victory over the Irish would virtually insure the Trojans their first national title since 1939. They have won all nine of their games so far.

Jim McKay's club had to come from behind and score two touchdowns in the final period to defeat UCLA, 14-3, Saturday to make its Rose Bowl bid certain.

GREATEST SEASON

Wisconsin also had to come from behind to beat Minnesota with a touchdown in the final quarter for a 14-9 decision and wind up its most successful season since 1912.

Here is how the major bowl picture now shapes up:

Rose Bowl—Southern California (9-0) vs. Wisconsin (8-1).

Sugar Bowl—Arkansas (9-1) vs. Mississippi (8-0).

Cotton Bowl—Texas (9-0-1) vs. Louisiana State (8-1-1).

Orange Bowl—Oklahoma (7-2) vs. Alabama (8-1).

Gator Bowl—Penn State (9-1) vs. Oregon State (8-2).

Bluebonnet Bowl—Georgia Tech (6-2-1) vs. Missouri (7-1-2).

4 IRISH WINS

Southern Cal doesn't figure to have things all its own way against Notre Dame, which has piled up four victories in a row after losing four straight. The Doryle Lamonica to Jim Kelly passing combination appears to have the Irish rolling or all fours.

Except for a few more scattered games Saturday—the Army-Navy clash in Philadelphia is the big one—the season ended for most teams last weekend.

Dartmouth, Ivy League champion, turned back Princeton, 38-27 to wind up its first undefeated season in 80 years.

Oklahoma, on the road back after a couple of lean years, smothered Nebraska, 34-6, for the Big Eight crown. Duke won its third straight Atlantic Coast Conference championship with a 16-14 decision over North Carolina and Tulsa won the Missouri Valley race by whipping Wichita, 24-6.

7 Bolts Honored In Grid Choices

Seven Littlestown High School football players were honored in selections for the 1962 All-Laurel Conference made by coaches and sportswriters.

Frank Basehoar, 185, senior, was named to a guard position. Other members of the team were: Ends, Flemmens, South West, and Neal Kessler, Ivy Suburban; tackles, Trump, Suburban; Smith, Suburban; guards, Wilson, Suburban; Gingerich, Central; center, Anderson, Kennard-Dale; backs, Gotwald, Suburban; Albrigt, Suburban; Gentzler, Central; Hoffman, West York.

The following Thunderbolts received honorable mention: End, Fred Snyder; guard, Phil Close; center, Jeff Breighner; backs, Dick Motter, Ted Bortner and Bill Woodward.

Colts Put Yohn On Active List

Dave Yohn, former Gettysburg College football star, has been reactivated by the Baltimore Colts of the National Football League and played as a linebacker Sunday when the Colts were drubbed by the Chicago Bears 57-0.

Yohn was signed by the Colts early this year and was impressive in preseason exhibition games. After the regular season got underway he was placed on waivers but was not claimed. He continued to work out each week with the Colts "waiting for the roster to open again." When Don Thompson, defensive end, was injured, Yohn was placed on the active list.

New Worries For 'Frisco Warriors

By THE ASSOCIATED PRESS

The troubled San Francisco Warriors, with worries enough to start with, had a brand new one to frown about today.

Playmaker Guy Rodgers became the latest in a continuing string of Warrior injuries Sunday night when he had to retire with a twisted right leg in the first quarter of a 128-115 loss to Cincinnati.

There was no indication how long Rodgers may be out.

The Royals, paced by Oscar Robertson, pulled away to a 59-49 lead at the half and weren't in major trouble again. Robertson finished with 24 points and teammate Jack Twyman had 27.

Wilt Chamberlain of San Francisco led all scorers, as usual, with 41 points.

The game was the only one scheduled.

Three days after the World Series, Ralph Terry of the Yankees shot a 74 at Metropolis, White Plains, N. Y., and three days later at Dellwood, New City, N. Y., he scored a two-over par 72.

Jack Sullivan Coaching Gonzaga

Jack Sullivan, all-time basketball scoring champion at Mt. St. Mary's College, has joined the coaching ranks for the first time this year.

Sullivan is the new head coach of Gonzaga High School, Washington, D. C.

Following his college career at Mt. St. Mary's, Sullivan starred for the Quantico Marines and later played professional ball for several teams.

RIGHT PROUD LOOMS BIG FOR 1963 CLASSIC

By THE ASSOCIATED PRESS

Right Proud and Delta Judge won't win any 2-year-old honors this year but off their 1-2 finish in the Pimlico Futurity they'll be highly regarded when the 1963 turf classics for 3-year-olds roll around.

Both race for Mrs. Ada L. Rice, who banked \$94,887 of the \$117,000 purse after Right Proud, considered the weaker member of the entry, beat Delta Judge by a neck at the end of the 1 1/16 miles last Saturday. Master Dennis from the Harbor View Farm also was close, trailing Delta Judge by a time.

TIME NOT GOOD

Right Proud, who had shown promise with two victories in five previous starts and a second to Never Bend, the 2-year-old champ, earned \$72,637. Delta Judge, out of the money only once in eight outings, picked up another \$22,350.

The time was nothing to shout about, however. Right Proud was clocked in 1 minute, 47 seconds compared with Pimlico's track mark of 1:42. The victory was a popular one since the entry was favored at \$5.80 for \$2.

With Manuel Ycaza in the saddle, Sensitive scored his second route-running victory in eight days by taking the 2 miles of the \$56,800 Display Handicap at Aqueduct.

Sensitive's time of 3:26 was only fair as he picked up \$36,920 to boost his earnings for 18 starts this year to \$170,182.

3 BIG TRADES IN MAJORS; SAY MORE COMING

By JOE REICHLER

Associated Press Sports Writer

ROCHESTER, N.Y. (AP)—The trade-conscious major leagues signaled the opening of the annual baseball convention today by completing three major player swaps with the promise of more to come.

The most important transaction involved the Boston Red Sox and the Houston Colts. The Red Sox, still on the prowl for right-handed hitters who can tattoo the left field wall at Fenway Park, traded away their American League batting champion, Pete Runnels, for Houston's slugging outfielder, Roman Mejias.

Runnels also won the American League batting title in 1960.

WANT LONG BALL

Although Runnels hit 326 last season to Mejias' 286, new Red Sox manager Johnny Pesky was convinced Mejias' long ball power would be more helpful than the spray-hitting of the southpaw-hitting Runnels, who hit only 10 home runs—a career high—to 24 for the former Colt outfielder. Mejias also drove in more runs than Runnels, 76-60.

In a 2-for-1 trade, Baltimore acquired catcher Dick Brown from Detroit in exchange for veteran receiver Gus Triandos with utility outfielder Whitey Herzog. The Orioles were counting on Brown, 29, to do the bulk of the catching next season. He batted .241 in 134 games with 12 homers and 40 runs batted in.

TIGERS GET BUDDA

Triandos, 32, has been troubled by injuries the last three seasons. Detroit also acquired veteran third baseman John (Bubba) Phillips from Cleveland in return for pitchers Ron Nischwitz, a lefty, and right-hander Gordon Seyfried.

Houston manager Harry Craft said he planned to switch Runnels, 34, to second base, a position he played before the Red Sox converted him into a first baseman.

The minor league meetings officially opened today with a major league draft of minor league players.

GIANTS BEAT REDSKINS IN TITLE MARCH

By JACK CLARY

Associated Press Sports Writer

Those so-called "old" New York Giants are up to their even older habits today—that of grabbing titles in the Eastern Conference of the National Football League.

The Giants, whose alleged old age is more often mistaken for proven experience, all but stashed away their second straight conference title Sunday and fifth in the last seven years with a 42-24 victory over the Washington Redskins, who dropped from second to third in the Eastern race.

New York needs only a victory in one of its final three games to get the title and head for what it hopes will be a title rematch with the Green Bay Packers.

BROWNS NO. 2

Green Bay, whose 37-0 victory over the Giants in the title game last year made them look even older than they are reputed to be, holds a one-game edge over Detroit in the Western Conference. Both were idle Sunday.

Cleveland (6-4-1) moved into second in the East by beating fourth-place Pittsburgh (6-5) 35-14 while the surging Chicago Bears (7-4) kept their Western title hopes alive with a 57-0 walloping of the Baltimore Colts (5-6). The Giants and Bears face each other next Sunday in Chicago.

In other NFL games, Philadelphia upset the Dallas Cowboys, 28-14; San Francisco defeated St. Louis 24-17; and the Los Angeles Rams and Minnesota Vikings played a 24-24 tie.

AFL RESULTS

In the only scheduled American Football League games, Houston defeated San Diego, 33-27, and the Dallas Texans beat winless Oakland, 35-7.

The Giants (9-2) once more used the perfect blend of experience and youth in beating Washington (5-4-2) for the second time. Quarterback Y. A

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times
ONE HUNDRED YEARS AGO
A new diet table has been prepared for the use of our hospitals, and which is likely to prove of invaluable service. Hitherto the kind and quality of food to be distributed to the patients in our hospitals has been left to the caprice of individual surgeons, thus failing, in many cases, far short of the actual requirements. By this new system a regular printed scale has been established, by which the exact daily quantity of each kind of food necessary for each individual is clearly set forth, in avoidable weight, and varying to suit all patients, from the convalescent to the very sick and feeble. This great improvement has been effected by a Medical Board, consisting of Medical Inspectors Cuyler and Koolidge, in consultation with Surgeon General Hammond and Dr. Jos. R. Smith.

Wm. A. Duncan, Esq., was sworn in as District Attorney on Monday last. He conducted the whole of the business of the Commonwealth during the week in a highly creditable manner.

All of the alleged difficulties at "Camp Gettysburg" have been removed, and affairs are progressing there, we understand, very properly. The order for the removal of the companies to Chambersburg has been, in consequence, countermanded. Eight companies have been formed, of about 100 each. Capt. Scott's company, from Cumberland, Mountjoy and Freedom, has been consolidated with the Straban company. Capt. James Stonesifer and Plank's companies have been consolidated — Plank, captain, Stonesifer and Schwartz, lieutenants. The other companies remain unchanged.

Oliver Wendell Holmes thus discourses on a thankful heart: "If one should give me a dish of sand, and tell me there were particles of iron in it, I might look for them with my eyes, and search for them with my clumsy fingers; but let me take a magnet and sweep through it, and how would it draw to itself the almost invisible particles by the mere power of attraction. The unthankful heart, like my finger in the sand, discovers no mercies; but let the thankful heart sweep through the day, and as the magnet finds the iron, so it will find in every hour some heavenly blessing: only the iron in God's sand is gold."

Some of the shimplasters circulating in Western New York are made payable to Utica next July, in strawberries, if the crop does not fail.

At the Mint, there are now coined daily about \$2,300 of nickel cents, all of which are distributed as soon as made, but still they are scarce.

SEVENTY-FIVE YEARS AGO
The Pennsylvania Railroad Company has been particularly busy in the motive department at Altoona, recently completing its tests with steam heating apparatus in passenger cars. These experiments have progressed so far that it is thought the first train of eight cars heated by this method may be ready to be put upon the road during the month.

"As the wind is in the month of November so it will be in December," is an old weather saw.

John M. Minnigh has made an additional ice pond down the Baltimore turnpike about two miles and will build an ice house there. His present ice facilities have proved insufficient.

Dr. Walter H. O'Neal has purchased from E. J. Cox, Esq., the frame building occupied by Messrs. Skelly and Sefton, with adjoining lot, for \$2,500. He will

CONFIDENCE
Simple laws rule this complicated world. The law of confidence, uppermost, I would say, for without this one, all others would amount to little.
In youth we pay attention to the advice of those older, because we have confidence in their wisdom. Later, we have confidence in ourselves, because we have learned from the application of what we have learned and through experience. To lose this confidence in ourselves is like leaving a ship to the waves without a pilot at the steering wheel.

People who make it a business to undermine the confidence of others, or to spread false reports about world or business conditions are enemies to all mankind.
Life and the pursuit of happiness are founded upon this rock of confidence. He is a benefactor who instills within our hearts that something which makes us believe in ourselves, in ideals, and the eventual triumph of all good.

Never has this big world needed a baptism of confidence as it does now. And that confidence should begin with each one of us — no matter who we are, or in what station of life we may be. Would that the coming years might go down in history as The Years of Confidence — confidence in our leaders, confidence in business, confidence in human character, confidence in the wise teachings of those long gone from us, confidence in God as the Fashioner of everything fine and beautiful — confidence in the future, no matter what its test.

A noted physician told me one day that he would not take a case where the patient did not have confidence in him. Neither would I, were I a physician.
I want confidence in the one to whom I entrust my ideas or my life. I want confidence in my friend. He is not my friend if I do not have this confidence in him.

The world has gone along for some time now better of this dominating confidence. It will continue to go along. Better — and the best times in all history — are yet to be! Confidence has been asleep too long — that's all. Wake up this sleeper. Put him to work!

Tomorrow Mr. Adams will talk on the subject: "That Spinal Thrill!"

AUTUMN IN THE CITIES
The leaves come drifting down On the little streets of town, But the roads of traffic stay Deadly dull and ashy gray. Little beauty is displayed On the avenues of trade.

Autumn comes and autumn goes, But the city pavement shows Nothing tender, nothing strange Of the equinoctial change. Hard and covered is the land Where the office buildings stand.
Tis on little streets the trees Sing their soothing melodies, And the leaves of red and brown Drift so very softly down.
Tis the quiet haunts and small Wear the beauties of the fall.

Tis the home and not the mart Where the happy memories start; Tis the home street knows the spring; Knows the summer blossoming, And the glory autumn weaves When the falling of the leaves.

The new Methodist Episcopal Church in New Oxford is receiving the finishing touches and will be ready for dedication which will take place on Sunday, November 27. A cordial invitation is extended to all. Services in the morning, afternoon and evening. It is considered one of the finest and best finished churches in the county. It has a large and handsome tower with a clock on it—the second clock in the county.

E. C. Stock, York Springs, is making an addition of 25 feet to his store room. When finished it will be 85 feet deep.

The new building at the Alms House will be completed by Dec. 1.

The purchasers of the Globe Hotel have failed to "come to terms" and the sale was not consummated. It is a pity Mr. Ramer did not insist upon a larger forfeit for failure to comply with the terms of the contract. We understand the amount was only \$100. Mr. Ramer will run the hotel in better style than ever.

AMERICANS ARE EATING MORE CANDY

By SAM DAWSON
AP Business News Analyst
NEW YORK (AP)—Americans are eating more candy. Increased consumption per capita in the last three years heartens the makers of sweets, who had lived since World War II on a sales plateau. Now they took are getting in step with the economic growth rate for which the nation hankers.

Their biggest sales season is just ahead. Candy is a big gift item and even diet-conscious Americans live more dangerously during the holidays.
Confectioners admit they still have a tough fight ahead with the calorie counters and those who associate sweets with enforced trips to the dentist.

20 POUNDS A PIECE
But some 2,000 confectionery manufacturers in the United States expect their total output this year will come close to 3½ billion pounds, with a sales value of more than \$2.5 billion.

It's the per capita consumption figure that most pleases the Candy, Chocolate and Confectionery Institute, set up in January 1961, to try to get the business moving ahead again.
Output per capita hit its peak in 1944, according to available records, at 20.4 pounds per person. But much of this production of sweets was sent overseas for the armed forces—to build morale, but often used in lieu of currency.

KEEPS GOING UP
Then consumption settled back to around 16 pounds per person a year, and total output grew only at the same pace as did the population. In 1960, consumption was put at 16.9 pounds per person.
This didn't satisfy the candy makers and they began combatting the fears of obesity and cavities.

In 1961, sales rose to 17.2 pounds for each man, woman and child. This year the outlook is for 17.5 pounds, when the Christmas sales figures are in.

2,000 VARIETIES
The institute says that some 2,000 varieties of confections, from jawbreakers to bonbons, will use this year at least 610,000 tons of sugar, 532,000 tons of dairy products, 400,000 tons of corn syrup, 210,000 tons of corn starch, 22,000 tons of devotore or refined corn sugar, 20,000 tons of fats and oils, 8,100 tons of fruits and fruit products, and lesser amounts of many other commodities.

But the industry still frets at what it, naturally, considers unwarranted fears about the effects of sweets. So the institute advises such things as eating a piece of candy after a meal to ease the desire for a dessert of higher calorie content. It lauds candy as a source of energy and as a fatigue reliever while driving. And it quotes some scientific surveys casting doubt on the role of sweets in promoting dental cares in children.

DISAPPOINTED IN CAESAR'S SHOW SUNDAY

By CYNTHIA LOWRY
AP Television-Radio Writer
NEW YORK (AP) — Appreciation of a comedian is a very personal reaction. It simply boils down to whether you think he's funny.

Sid Caesar usually amuses me at the beginning of his sketches, and I invariably wind up wishing he would quit before he beats an idea to death. For my taste, his sketches are too long, usually losing their point in the process.

His ABC show Sunday night, for instance, consisted of three sketches, each based on imaginative or fresh ideas. The Cape Canaveral scientist transplanted to a cosmetics factory, working on a cure for chapped lips was great in concept but silly, alas, in execution. The same was true of the man brooding about splitting a restaurant check with a couple who ordered the \$1.25 shrimp cocktail while he and his wife were stuck with the 25-cent tomato juice.

Speaking of comedy, what on earth made Edward M. Kennedy and his wife decide to go on a variety program like Friday night's "Jack Paar Show?" The serious young senator-elect fielded Jack's awkward questions as if he were on "Meet the Press."

NBC's contemporary western, "Empire," will be around all year, the network having ordered a full season of shows. The series got off to a shaky start.

The program mostly a showcase for star Richard Egan. The other regular characters have had a pretty thin time of it, in spite of a promise earlier to fatten up the roles of Terry Moore and Anne Seymour.

New Nielsen ratings, released Tuesday will seal the fate of CBS' "Fair Exchange," the hour-long situation comedy that received good reviews but has been building an audience slowly. If the network decides to drop the show, replacement will be an hour-long version of Rod Serling's "Twilight Zone."

Recommended tonight: "Saints and Sinners," NBC, 8:30-9:30 (EST) — Paul Muni in a rare acting appearance, playing an aged man.

NEW SHEPHERD PUP ARRIVES WITH CAROLINE

WASHINGTON (AP)—A black and tan German shepherd named Clipper has moved into the White House and from all signs he's going to be top dog.

For one thing, he's big enough — larger by a considerable margin than the two other canines who live in the executive mansion, a Welsh terrier named Charlie and Pushinka, a gift from Soviet Premier Khrushchev.

For another, note the treatment Clipper got Sunday on the flight from Cape Cod — and the snub it meant for Charlie.

Clipper traveled by jet with President and Mrs. Kennedy and their daughter Caroline on their return from the long Thanksgiving weekend. Charlie made the trip in a propeller-driven White House plane.

Five-month-old Clipper was given to Mrs. Kennedy by her father-in-law, Joseph P. Kennedy, over the weekend. Once aboard, Caroline took over, leading the new pet through the presidential plane on his leas.

Caroline will have a joint birthday party with her baby brother John Jr. Tuesday John spent the weekend at home because of a cold. Sunday was his second birthday. Tuesday is Caroline's fifth.

President and Mrs. Kennedy attended Mass at St. Francis Xavier church in Hyannis, Mass. Sunday and drew a sizable crowd of spectators despite chilly weather.

"Empire," will be around all year, the network having ordered a full season of shows. The series got off to a shaky start.

The program mostly a showcase for star Richard Egan. The other regular characters have had a pretty thin time of it, in spite of a promise earlier to fatten up the roles of Terry Moore and Anne Seymour.

SERMON ON ALCOHOL
"The Christian Attitude Toward Alcohol" was the subject of the sermon delivered by the Rev. William C. Karns, pastor, at the worship service on Sunday in St. John's Lutheran Church. Pastor Karns read the epistle lesson from I Thessalonians 5:1-11 and the gospel lesson from Matthew 25:1-13. The choir, accompanied on the organ by Mrs. Jay D. Basehoar, sang an anthem, W. E. Stiles, Aleck Anderson, Kenneth Elyer and W. E. Mackley served as ushers. The altar flowers were placed in memory of Dallas W. Shriver by the family.

The Council will meet on Tuesday at 7:30 p.m. at the church. The monthly meeting of the Tuck-a-Batch Class will be held on Tuesday at 7:30 p.m. at the home of Mrs. Lloyd Spangler, near town. The choir will rehearse on Wednesday, Juniors at 8:45 p.m. and Seniors at 7:30 p.m. The Ladies' Aid Society will meet on Thursday, 7:30 p.m. The November hostesses will be Mrs. William C. Karns, Mrs. Fred W. King and Mrs. Kenneth W. Miller. A Bible workshop will begin on Wednesday evenings, a joint project of St. John's and St. Paul's Lutheran Churches. The registration committee for this course includes Mrs. George W. Streig, Glenn E. Unger and Edgar A. Wolfe.

The Dodgers and Pirates were the most successful teams against the New York Mets. Both lost only twice in 18 meetings.

75 FAVORING 561 REPEAL, POLL SHOWS

PHILADELPHIA (AP)—Seventy-five Republican members of the State Senate and House of Representatives said they will vote for amendment or repeal of the controversial school district reorganization law, according to a poll of the Philadelphia Bulletin.

Some 30 of the 75 Republicans polled said they want outright repeal, the Bulletin said Sunday.

The 50 Democrats polled said they will fight repeal but want the present law amended when the 14th General Assembly convenes in January, the Bulletin reported.

MOST FAVOR DELAY

Gov.-Elect William W. Scranton called for a one-year moratorium to clear the air during his campaign. Most Republicans polled said they favored Scranton's moratorium. The GOP will control both houses in 1963.

Rep. Guy A. Kistler, R-Cumberland, said he will introduce a bill calling for a one-year moratorium.

Sens. Stanley G. Stroup and Robert O. Beers and Rep. John Hope Anderson, all Republicans, said they'll introduce bills in the legislature to repeal the 1961 law.

NONE SATISFIED

A Philadelphia Democrat, Sen. Charles R. Weiner, said he would introduce a bill to amend the law. Weiner said he'll fight against repeal.

Under the present law, passed by the 1961 legislature, the state's 2,185 basic school administration districts are to be consolidated into about 600 by July 1, 1965. Each unit, with few exceptions, is to have at least 4,000 students. Exceptions would permit minimums of 2,500 students.

The Bulletin said none of the lawmakers polled oppose school reorganization. They agree, said the Bulletin, that steps must be taken to modernize school administration. The law as passed in 1961, however, satisfied none of them, said the newspaper.

500 CHILDREN GREET SANTA

Over 500 children were treated by Santa Claus upon his arrival in Littlestown on Saturday afternoon. Santa was escorted to his station at S. Queen and Charles Sts. in a sleigh and was accompanied by the Littlestown School Band and two majorette groups, JoAnn's Cadets and The Scottettes. Prior to Santa's appearance, a program was presented by the local high school chorus. The affair was sponsored by the Littlestown Chamber of Commerce and the retail merchants committee Santa in distributing treats.

The holiday lights are now being erected in the community, under the auspices of the Chamber. The local stores will remain open for the convenience of Christmas shoppers, each evening, beginning December 14 and continuing until Christmas eve at 6 p.m.

In Harrisburg Hospital are: Joseph Shields, 17, Enola, one of the drivers, and his passenger, Kinda Miller, 17, of Mechanicsburg Mrs. Doris Smith, 32, Enola, and her two children, Ronald, 9, and Bonnie, 8, and Kathy Grassley, 4, of Dillsburg.

Kathy Grassley's mother, Mrs. Barbara Grassley, driver of the second car, suffered arm and leg injuries but was not admitted to the hospital.

State police said the accident occurred about 9:30 p.m. Sunday on Trindle road, one mile east of Mechanicsburg.

State trooper John Shambach said the car carrying the two women and three children rolled over after the collision.

The cause of the accident was under investigation.

those who patronized the various features.

A pastoral letter from the Rt. Rev. Msgr. Francis Kirchner, vicar general of the diocese of Harrisburg, was read at the morning Masses on Sunday by Father Metz. The letter was an appeal for generosity in the annual offering for the Catholic University in Washington, to be received at the Masses next Sunday morning. Tonight at 7 o'clock there will be religious instructions for the junior-senior high school students. At 8 o'clock there will be a meeting of the special fund-raising committee of the parish. Daily Mass this week will begin at 7:15 a.m.

It was announced that a meeting of the board of directors of the Conewago Deaneary Council of Catholic Women will be held at 7 p.m. on Thursday, at St. Joseph's parish hall, Hanover, and an open meeting to which all members of the clergy and of the councils of the 15 parishes which comprise the deanery are invited.

Mr. and Mrs. Nicholas Redding and Mrs. Mary Lawrence, of town, attended the 40th wedding anniversary celebration for the latter's cousins, Mr. and Mrs. Clyde Myers, Fairfield, on Sunday afternoon.

GUATEMALAN ARMY STOPS REVOLT EARLY

By ALVARDO CONTRERAS GUATEMALA (AP)—The Guatemalan army quickly crushed a Sunday morning revolt in which the government said pro-Communist air force rebels strafed the presidential palace and an army barracks with machinegun and rocket fire from two commandeer warplanes.

President Miguel Ydigoras Fuentes charged that the abortive coup was "one of the many" directed at his republic by Cuban Prime Minister Fidel Castro.

Two civilians were reported killed.

AMERICANS HURT

Mrs. Philip Snare, of Buffalo, N.Y., wife of the political attaché to the American Embassy, was among some 30 persons injured. A bullet struck her in the arm as she stood by a window.

Most of the other injured, including a number of children, were struck by bullets from the rebel planes attacking the barracks.

Antiaircraft batteries downed one plane. The pilot was presumed killed.

Ydigoras, 67-year-old army general, said his office and the bedrooms of his grandsons received several direct hits. The president and his grandsons were in other rooms when the shooting started at 9:30 a.m.

A Lovelier You

By MARY SUE MILLER

UPS AND DOWNS OF THE SHOULDER LINE. As revealed by a decolletage, the feminine shoulder line is often less than ideal. Hollows and ridges make a roller coaster of a slope that should be slow and smooth.

Happily, those problems are correctable. To eliminate ridges, simply check your bras. The bands and cups should provide adequate

support without undue pull on the straps. The overly tight strap is what corrugates the tops of the shoulders.

Even when straps are properly adjusted, they sometimes mark the flesh. And that is a sign they either are too narrow or should be padded with a cushion-y material. Notion counters can supply handy, removable pads. These are inserted between strap and shoulder after you have donned a bra.

Not so quickly solved, but nevertheless solvable, is the problem of hollows along the collarbones. You actually can feel the following routine at work to fill out those depressions and plump up around the bones:

1. With a strong leather belt in hand, sit tailor-fashion on the floor. 2. Hold belt so hands are 12 inches apart, extend arms forward at shoulder level, and snap belt taut. 3. By bending elbows into waist, touch belt to chest, hold for five counts, and return arms to extended position.

Repeat 20 times. And always perform slowly, tugging hard on belt.

ENHANCED BOSOMLINE

For a more attractive bosom, write Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., requesting my five-cent pamphlet, ENHANCED BOSOMLINE. Don't forget to include five cents in coin and a LARGE, SELF-ADDRESSED, STAMPED ENVELOPE. ENHANCED BOSOMLINE contains detailed instructions on how curve and lift can be improved through exercise, posture and corsetry.

SCRANTON TO PICK CABINET MEMBER SOON

HARRISBURG (AP)—An aide to Gov.-Elect William W. Scranton said today Scranton will name another cabinet member while here for three days to meet with key legislators and prepare for a transition of government.

Scranton's only cabinet appointment thus far was Walter E. Alessandrini as attorney general. The governor-elect planned to remain here until Wednesday. He will return to Washington Wednesday or Thursday, then go to Texas to begin a tour of Air Force reserve duty until Dec. 6.

BACKING SCOTT

Meanwhile, Scranton said that Sen. Hugh Scott, R-Pa., probably will get the nomination to run for the Senate again in 1964 behind a strong and unified Republican party.

Scranton said he is not going to pledge his support for anyone two years in advance but as of today he's very much for Scott.

Rep. Carroll D. Kearns, a Farrell Republican who was unseated in the May primary, already has announced he will oppose Scott for nomination.

FEAR PRIMARY BATTLE

Scranton said he hopes to supply the leadership to make the GOP a strong, unified party. He said he thinks various persons in the party will join him.

A bitter GOP primary battle could develop unless Scranton is able to unify the party. Some political observers see possible opposition to Scott from the Pennsylvania Manufacturers Association and some members of the Blue Bell group.

The anti-Scott members of the Blue Bell group are said to include Sen. M. Harvey Taylor, Dauphin County leader; John J. McClure, Delaware County leader; Superior Court Judge G. Harold Watkins, the Schuylkill County leader; and Philadelphia chairman Wilbur H. Hamilton.

ON CIVIL SERVICE

Scott reportedly faces opposition because of his role early this year in forcing the PMA and the Blue Bell leaders to accept the slating of Scranton in favor of Superior Court Judge Robert E. Woodside. Scott had threatened to seek the governorship himself.

On another subject, Scranton said the first extension of Civil Service "should begin with the regulatory agencies and those divisions of the state government involved with long-term programming."

He said no one could specify in exact terms how long this would take since it was important "to proceed slowly and develop a workable system."

REDS STOPPED BY VIETNAMESE

By ROY ESSOYAN

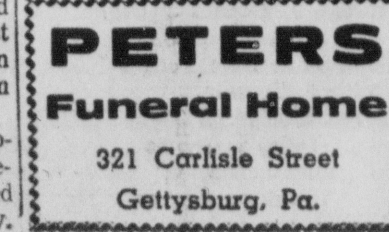

DANANG, South Viet Nam (AP) — "It was like a slaughter house," the American officer said. "The enemy dead were stretched out in a solid line for 50 yards."

The American, a military adviser, was describing the scene of a major Communist rout early Sunday 50 miles south of this corps headquarters near the border of North Viet Nam.

At least 124 Communist guerrillas including two battalion commanders were killed in the pre-dawn repulse of a Viet Cong attack.

Capt. Graham Vernon of Tallahassee, Fla., was the only American involved in the battle and helped direct the government defense, military sources reported. Vernon arrived in Viet Nam only a week ago.

"It was the most devastating blow the Viet Cong has suffered in months," an American adviser said.

75 FAVORING 561 REPEAL, POLL SHOWS

PHILADELPHIA (AP)—Seventy-five Republican members of the State Senate and House of Representatives said they will vote for amendment or repeal of the controversial school district reorganization law, according to a poll of the Philadelphia Bulletin.

Some 30 of the 75 Republicans polled said they want outright repeal, the Bulletin said Sunday.

The 50 Democrats polled said they will fight repeal but want the present law amended when the 17th General Assembly convenes in January, the Bulletin reported.

MOST FAVOR DELAY

Gov.-Elect William W. Scranton called for a one-year moratorium to clear the air during his campaign. Most Republicans polled said they favored Scranton's moratorium. The GOP will control both houses in 1963.

Rep. Guy A. Kistler, R-Cumberland, said he will introduce a bill calling for a one-year moratorium.

Sens. Stanley G. Stroup and Robert O. Beers and Rep. John Hope Anderson, all Republicans, said they'll introduce bills in the legislature to repeal the 1961 law.

NONE SATISFIED

A Philadelphia Democrat, Sen. Charles R. Weiner, said he would introduce a bill to amend the law. Weiner said he'll fight against repeal.

Under the present law, passed by the 1961 legislature, the state's 2,183 basic school administration districts are to be consolidated into about 600 by July 1, 1965. Each unit, with few exceptions, is to have at least 4,000 students. Exceptions would permit minimums of 2,500 students.

The Bulletin said none of the lawmakers polled opposed school reorganization. They agree, said the Bulletin, that steps must be taken to modernize school administration. The law as passed in 1961, however, satisfied none of them, said the newspaper.

Littlestown 500 CHILDREN GREET SANTA

Over 500 children were treated by Santa Claus upon his arrival in Littlestown on Saturday afternoon. Santa was escorted to his station at S. Queen and Charles Sts. in a sleigh and was accompanied by the Littlestown School Band and two majorette groups, JoAnn's Cadets and The Scottettes. Prior to Santa's appearance, a program was presented by the local high school chorus. The affair was sponsored by the Littlestown Chamber of Commerce and the retail merchants committee Santa in distributing treats.

The holiday lights are now being erected in the community, under the auspices of the Chamber. The local stores will remain open for the convenience of Christmas shoppers, each evening, beginning December 14 and continuing until Christmas eve at 6 p.m.

SIX INJURED IN COLLISION

HARRISBURG (AP) — Six of seven persons involved in a two-car highway crash near Mechanicsburg were hospitalized here today.

In Harrisburg Hospital are Joseph Shields, 17, Enola, one of the drivers, and his passenger, Kunda Miller, 17, of Mechanicsburg. Mrs. Doris Smith, 32, Enola, and her two children, Ronald, 9, and Bonnie, 8, and Kathy Grassley, 4, of Dillsburg.

Kathy Grassley's mother, Mrs. Barbara Grassley, driver of the second car, suffered arm and leg injuries but was not admitted to the hospital.

State police said the accident occurred about 9:30 p.m. Sunday on Trindle road, one mile east of Mechanicsburg.

State trooper John Shambach said the car carrying the two women and three children rolled over after the collision.

The cause of the accident was under investigation.

those who patronized the various features.

A pastoral letter from the Rt. Rev. Msgr. Francis Kirchmer, vicar general of the diocese of Harrisburg, was read at the morning Masses on Sunday by Father Metz. The letter was an appeal for generosity in the annual offering for the Catholic University in Washington, to be received at the Masses next Sunday morning. Tonight at 7 o'clock there will be religious instructions for the junior-senior high school students. At 8 o'clock there will be a meeting of the special fund raising committee of the parish.

Mrs. Mark Redding will serve as chairman of the refreshment committee and Thomas G. French, chairman of arrangements, for the Tuesday night public party in the parish hall. Daily Mass this week will begin at 7:15 a.m.

It was announced that a meeting of the board of directors of the Conewago Deanery Council of Catholic Women will be held at 7 p.m. on Thursday, at St. Joseph's parish hall, Hanover, and an open meeting to which all members of the clergy and of the councils of the 15 parishes which comprise the deanery are invited.

Mr. and Mrs. Nicholas Redding and Mrs. Mary Lawrence, of town, attended the 40th wedding anniversary celebration for the latter's cousins, Mr. and Mrs. Clyde Myers, Fairfield, on Sunday afternoon.

GUATEMALAN ARMY STOPS REVOLT EARLY

By ALVARDO CONTRERAS

GUATEMALA (AP)—The Guatemalan army quickly crushed a Sunday morning revolt in which the government said pro-Communist air force rebels strafed the presidential palace and an army barracks with machinegun and rocket fire from two commandeered warplanes.

President Miguel Ydigoras Fuentes charged that the abortive coup was "one of the many" directed at his republic by Cuban Prime Minister Fidel Castro.

Two civilians were reported killed.

AMERICANS HURT

Mrs. Philip Snare, of Buffalo, N.Y., wife of the political attache to the American Embassy, was among some 30 persons injured. A bullet struck her in the arm as she stood by a window.

Most of the other injured, including a number of children, were struck by bullets from the rebel planes attacking the barracks.

Anti-aircraft batteries downed one plane. The pilot was presumed killed.

Ydigoras, 67-year-old army general, said his office and the bedrooms of his grandsons received several direct hits. The president and his grandsons were in other rooms when the shooting started at 9:30 a.m.

A Lovelier You

By MARY SUE MILLER

UPS AND DOWNS OF THE SHOULDER LINE. As revealed by a decolletage, the feminine shoulder line is often less than ideal. Hollows and ridges make a roller coaster of a slope that should be slow and smooth. Happily, those problems are correctable. To eliminate ridges, simply check your bras. The bands and cups should provide adequate

support without undue pull on the straps. The overly tight strap is what corrugates the tops of the shoulders.

Even when straps are properly adjusted, they sometimes mark the flesh. And that is a sign they either are too narrow or should be padded with a cushion-y material. Notion counters can supply handy, removable pads. These are inserted between strap and shoulder after you have donned a bra.

Not so quickly solved, but nevertheless solvable, is the problem of hollows along the collarbones. You actually can feel the following routine at work to fill out those depressions and plump up around the bones:

1. With a strong leather belt in hand, sit tailor-fashion on the floor. 2. Hold belt so hands are 12 inches apart, extend arms forward at shoulder level, and snap belt taut. 3. By bending elbows into waist, touch belt to chest, hold for five counts, and return arms to extended position.

Repeat 20 times. And always perform slowly, tugging hard on belt.

DEATHS

LOUISVILLE, Ky. (AP) — Lee P. Miller, 71, former president of the American Bankers Association died Sunday. Miller, a banker for 32 years, had been hospitalized for two weeks with a heart condition.

SCOTTSDALE, Neb. (AP) — Harry Joseph Wisner, 87, founder and publisher of the Scottsbluff Daily Star-Herald through most of its 50-year history died Sunday. Wisner who had been in failing health for several years, had served as editor emeritus the past 10 years. He was born in Kilbourn City, which now is Wisconsin. Deis, Wis.

BOSTON (AP) — Henry R. Stephens, 78, noted architect whose designs included many college and hospital buildings, died Saturday.

ORRTANNA — One hundred dollars was donated toward the building fund of the Methodist Church at the November meeting of the Friendship Circle Class of the Methodist Sunday School held recently at the home of Mrs. Phyllis Flenner, Fairfield.

The fifth to the ninth chapters of Matthew were studied and two poems were read, "Thanksgiving" by Mrs. Althea March and "Six Reasons Why We Give Thanks" by the teacher of the class, Mrs. Mary Hess.

Miss Marie Wetzel has returned to Newton Square after spending her holiday vacation with her parents, Mr. and Mrs. Dale Wetzel.

Mrs. Harry Ross, Sparrows Point, Md., and Mrs. Addison Garrett, Hanover, visited during the weekend with their sister, Mrs. Luther Wetzel, Orrtanna, R. Mrs. Ross also visited with Mrs. Garrett in Hanover and with another sister, Mrs. Catherine Rinehart, Littlestown, during the holidays.

SCRANTON TO PICK CABINET MEMBER SOON

HARRISBURG (AP)—An aide to Gov.-Elect William W. Scranton said today Scranton will name another cabinet member while here for three days to meet with key legislators and prepare for a transition of government.

Scranton's only cabinet appointment thus far has been Walter E. Alessandrini as attorney general.

The governor-elect planned to remain here until Wednesday. He will return to Washington Wednesday or Thursday, then go to Texas to begin a tour of Air Force reserve duty until Dec. 6.

BACKING SCOTT

Meanwhile, Scranton said that Sen. Hugh Scott, R-Pa., probably will get the nomination to run for the Senate again in 1964 behind a strong and unified Republican party.

Scranton said he is not going to pledge his support for anyone two years in advance but as of today he's very much for Scott.

Rep. Carroll D. Kearns, a Farrell Republican who was unseated in the May primary, already has announced he will oppose Scott for nomination.

FEAR PRIMARY BATTLE

Scranton said he hopes to supply the leadership to make the GOP a strong, unified party. He said he thinks various persons in the party will "join him."

A bitter GOP primary battle could develop unless Scranton is able to unify the party. Some political observers see possible opposition to Scott from the Pennsylvania Manufacturers Association and some members of the Blue Bell group.

The anti-Scott members of the Blue Bell group are said to include Sen. M. Harvey Taylor, Dauphin County leader; John J. McClure, Delaware County leader; Superior Court Judge G. Harold Watkins, the Schuylkill County leader; and Philadelphia chairman Wilbur H. Hamilton.

ON CIVIL SERVICE

Scott reportedly faces opposition because of his role early this year in forcing the PMA and the Blue Bell leaders to accept the slating of Scranton in favor of Superior Court Judge Robert E. Woodside. Scott had threatened to seek the governorship himself.

Or, another subject, Scranton said the first extension of Civil Service "should begin with the regulatory agencies and those divisions of the state government involved with long-term programming."

He said no one could specify in exact terms how long this would take since it was important "to proceed slowly and develop a workable system."

REDS STOPPED BY VIETNAMESE

By ROY ESSOYAN

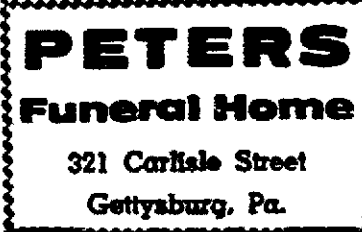

DANANG, South Viet Nam (AP) — "It was like a slaughter house," the American officer said. "The enemy dead were stretched out in a solid line for 50 yards."

The American, a military adviser, was describing the scene of a major Communist rout early Sunday 50 miles south of this corps headquarters near the border of North Viet Nam.

At least 124 Communist guerrillas including two battalion commanders were killed in the pre-dawn repulse of a Viet Cong attack.

Capt. Graham Vernon of Tallahassee, Fla., was the only American involved in the battle and helped direct the government defense, military sources reported. Vernon arrived in Viet Nam only a week ago.

"It was the most devastating blow the Viet Cong has suffered in months," an American adviser said.

SHERMAN HAS DEC. 28 DATE AT CARNEGIE

By BOB THOMAS
AP Movie-Television Writer
HOLLYWOOD (AP) — How would you like to be giving a concert in Carnegie Hall, never having faced a paying audience before?

Sounds like a nightmare? But just such a prospect faces Allan Sherman on Dec. 28.

"I thought my manager was out of his mind when he suggested it," says Sherman. "But as long as we were going through with it, I figured we might as well go all the way and make it a black-tie concert."

FASTEST SELLER
If you have been near a radio lately, you will know who Allan Sherman is. He is the star of a new record album called "My Son, the Folk-Singer." In it he sings parodies of traditional folk tunes—sort of like a one-man Jewish Kingston Trio.

Warner Brothers Records reports that it is the fastest selling album in history, having sold 575,000 copies in six weeks. With the Christmas season coming up, it might push over a million.

All this amazes Sherman, admittedly the least likely candidate for stardom. He is fat, fortyish and plain looking. His voice?

WENT TO 21 SCHOOL'S
"Pretty bad," he confessed. "When we cut the album, I was so terrified that I had to have a few belts of scotch. By the end of the session I was stoned and

singing three notes above my normal range." But for the workings of fate, Allan Sherman's performing might still be confined to the inside of a television control booth. Sherman is a Chicagoan who attended 21 public schools, because his father traveled as racing driver and automotive engineer. He studied journalism and wrote variety shows at the University of Illinois, and served in the Army in World War II on the Texas front.

NEIGHBORS DID IT
His knack with lyrics and gags led to jobs of writing night club material for Jackie Gleason, Joe E. Lewis and other comics. Then he latched onto television. In 1951 he helped dream up a show called "I've Got a Secret," and he's still collecting royalties from it. He has also written and produced series and specials for Steve Allen, Herb Shriner, Victor Borge, Phil Silvers and Charlie Zeisler.

During all this time, Sherman amused himself and his friends by delivering parodies of popular songs at parties at his house. Last year he moved to Hollywood with a daytime quiz show and found himself living next door to Harpo Marx. One night Harpo heard the Sherman songs at a party.

Harpo flipped. He had his own party, and Sherman sang before the assembled Marx Brothers, Jack Benny, George Burns, etc. The word spread, and the album eventuated.

Harry Gallatin of the St. Louis Hawks, Bob Feerick of the San Francisco Warriors and Jack McMahon of the Chicago Zephyrs are the new National Basketball Association coaches this season.

Little Big Inch
could be the reason
your car will start quicker
this winter

To start quicker in freezing weather, the gasoline in your car needs the volatile, high energy supplied by butanes. That's why Texas Eastern's Little Big Inch pipeline system may be important to you this winter.

Our Little Big Inch pipeline has been and is now delivering increasing quantities of butanes to refineries in the Midwest. Beginning next month, the Little Big Inch—through a 500-mile expansion of its system—will make butane deliveries to refineries in the Philadelphia area.

As pipeline of energy, Texas Eastern continues to expand its natural gas and petroleum products systems to serve new

areas of the Midwest and East. Texas Eastern Transmission Corporation, Houston, Texas.

BLONDIE

SHERMAN HAS DEC. 28 DATE AT CARNEGIE

By BOB THOMAS
AP Movie-Television Writer
HOLLYWOOD (AP) — How would you like to be giving a concert in Carnegie Hall, never having faced a paying audience before?

Sounds like a nightmare? But just such a prospect faces Allan Sherman on Dec. 28.

"I thought my manager was out of his mind when he suggested it," says Sherman. "But as long as we were going through with it, I figured we might as well go all the way and make it a black-tie concert."

FASTEST SELLER
If you have been near a radio lately, you will know who Allan Sherman is. He is the star of a new record album called "My Son, the Folk-Singer." In it he sings parodies of traditional folk tunes—sort of like a one-man Jewish Kingston Trio.

Warner Brothers Records reports that it is the fastest selling album in history, having sold 575,000 copies in six weeks. With the Christmas season coming up, it might push over a million.

All this amazes Sherman, admittedly the least likely candidate for stardom. He is fat, forthright and plain looking. His voice?

WENT TO 21 SCHOOL'S
"Pretty bad," he confessed. "When we cut the album, I was so terrified that I had to have a few belts of scotch. By the end of the session I was stoned and

singing three notes above my normal range."
But for the workings of fate, Allan Sherman's performing might still be confined to the inside of a television control booth. Sherman is a Chicagoan who attended 21 public schools, because his father traveled as racing driver and automotive engineer. He studied journalism and wrote variety shows at the University of Illinois, and served in the Army in World War II on the Texas front.

NEIGHBORS DID IT
His knack with lyrics and gags led to jobs of writing night club material for Jackie Gleason, Joe E. Lewis and other comics. Then he latched onto television. In 1951 he helped dream up a show called "I've Got a Secret," and he's still collecting royalties from it. He has also written and produced series and specials for Steve Allen, Herb Shriner, Victor Borge, Phil Silvers and Charlie Zeavert.

During all this time, Sherman amused himself and his friends by delivering parodies of popular songs at parties at his house. Last year he moved to Hollywood with a daytime quiz show and found himself living next door to Harpo Marx. One night Harpo heard the Sherman songs at a party.

Harpo flipped. He had his own party, and Sherman sang before the assembled Marx Brothers, Jack Benny, George Burns, etc. The word spread, and the album eventuated.

Harry Gallatin of the St. Louis Hawks, Bob Feerick of the San Francisco Warriors and Jack McMahon of the Chicago Zephyrs are the new National Basketball Association coaches this season.

Little Big Inch
could be the reason
your car will start quicker
this winter

To start quicker in freezing weather, the gasoline in your car needs the volatile, high energy supplied by butanes. That's why Texas Eastern's Little Big Inch pipeline system may be important to you this winter.

Our Little Big Inch pipeline has been and is now delivering increasing quantities of butanes to refineries in the Midwest. Beginning next month, the Little Big Inch—through a 500-mile expansion of its system—will make butane deliveries to refineries in the Philadelphia area.

As pipeline of energy, Texas Eastern continues to expand its natural gas and petroleum products systems to serve new areas of the Midwest and East. Texas Eastern Transmission Corporation, Houston, Texas.
